

RESOLUTION FOR PLAN REVISION

**RESOLUTION OF THE SUPERVISORS OF THE TOWNSHIP OF JACKSON,
CAMBRIA COUNTY, PENNSYLVANIA (hereinafter "Jackson Township").**

WHEREAS, Section 5 of the Act of January 24, 1966, P.L. 1535, No. 537, known as the "Pennsylvania Sewage Facilities Act," as amended, and the Rules and Regulations of the Department of Environmental Protection (Department) adopted there under, Chapter 71 of Title 25 of the Pennsylvania Code, requires the municipality to adopt an Official Sewage Facilities Plan providing for sewage services adequate to prevent contamination of waters and/or environmental health hazards with sewage wastes, and to revise said plan whenever it is necessary to meet the sewage disposal needs of the municipality, and

WHEREAS, The Nanty Glo Sanitary Sewer Authority has prepared an Act 537 Plan Special Study which provides an evaluation of alternatives for needed improvements to the Nanty Glo Wastewater Treatment Plant (WWTP) located in Nanty Glo Borough, Cambria County, and

WHEREAS, the Nanty Glo WWTP Pump Station Building and other process equipment have exceeded the expected useful life of such structures and buildings and deteriorated both structurally and mechanically, and

WHEREAS, improvements to the WWTP are needed to ensure that the treatment plant will continue to operate uninterrupted and continue to be capable of meeting existing and future discharge limits and conditions of its operation permit, and

WHEREAS, the Special Study recommends: that the existing Pump Station Building be replaced with modernized equivalents in a new Auxiliary Plant Building and Influent Wet Well, that the existing process blowers be replaced with independent sets of Aeration Tank Blowers and Digester Blowers, that fine screening capabilities be added to the plant and installed within the Auxiliary Plant Building, that re-aeration capabilities be added to induce additional dissolved oxygen in the plant effluent, that new chemical feed systems be introduced for process control and future nutrient removal supplementation, and that the new facilities be located adjacent to the existing facilities on the WWTP site, and

WHEREAS, the key implementation activities/dates include completion of the design of the project by September of 2027 and completion of the improvement project by November of 2029, and

WHEREAS, the proposed facilities will continue to be located in Nanty Glo Borough, and

WHEREAS, the Nanty Glo WWTP provides sanitary sewer service to the Nanty Glo Sanitary Sewer Authority system including all or portions of Nanty Glo Borough, Blacklick Township, and Jackson Township in Cambria County, Pennsylvania and

WHEREAS, pending all applicable land development and building permit reviews, the Blacklick Township Supervisors finds that the Sewage Facility Special Study described above conforms to any applicable zoning, subdivision, other municipal ordinances and plans and to a comprehensive program of pollution control and water quality management and

NOW, THEREFORE, BE IT RESOLVED that the Supervisors of the Township of Jackson hereby adopts and submits to the Department of Environmental Protection for its approval as a revision to the "Official Plan" of the municipality, the above referenced Facility Plan. The municipality hereby assures the Department of the complete and timely implementation of the said plan as required by law. (Section 5, Pennsylvania Sewage Facilities Act as amended).

I, Sheri Rummel, Secretary, Jackson Township, hereby certify that the foregoing is a true copy of Resolution No. 10-26, adopted October 8, 2026.
