WWII RENTAL NOTICE

Congratulations on your rental of the WWII Veterans Memorial. We hope whatever event you are celebrating is enjoyable. There have been events in the past where renters did not follow the rental agreement guidelines. This letter serves as a reminder of the rental agreement you signed, and that an officer may stop in for inspection during the event.

Officers will check to see that the occupancy matches the size of group that you reserved with your application. They will also confirm that the building is not over capacity.

Officers will confirm that there is no alcohol on the premises if the permit was not issued for alcohol consumption. Officers will also check to confirm that any alcohol on premises is being provided by the designated concessionaire. Officers will also confirm that no alcohol is being consumed outside the building.

If any violations of the agreement are observed, closure of the event may occur along with loss of the security deposit. Please do not hesitate to call us if any problems arise during your party.

Sincerely,

Paul Mott – Chief of Police
