Walworth County 2026 Business & Agriculture Clean Sweep Events

WALWORTH COUNTY
WISCONSIN

Walworth County Public Works
W4097 County Rd NN
Elkhorn, WI 53121

Friday, Oct 2

12 pm - 3 pm

Safely dispose of products labeled caustic, acid, flammable, danger, warning or poison. Examples: oil & lead-based paints, pesticides & herbicides, adhesives & lubricants, cleaning chemicals, fertilizers, old fuel, anti-freeze, motor oil, paint remover, degreasers, solvents, wood preservatives, fluorescent bulbs, mercury thermometers, thermostats & rechargeable/lithium batteries and Freon

Business *Pre-Registration Required

Any businesses that generates less than 220 pounds of hazardous waste per month may participate in this event.

Agriculture *Pre-Registration Required

A maximum of 100 lbs. per farm is free of charge. Dispose of all of the hazardous waste above plus agricultural chemicals, including DDT, lead arsenate, Chlordane & lindane. Other agricultural chemicals including animal medications, vaccines, teat wash, rodent baits, etc. Ensure all containers are structurally sound.

The following items will NOT be accepted:

Electronics, computers, and TVs.
NO LATEX PAINT
Empty agricultural chemical containers, compressed gas cylinders, alkaline batteries, ammunition, sharps, infectious or biological wastes, explosives, radioactive waste, human pharmaceuticals, ammunition

Pre-Register by Friday, Sept 25 - See website for form

Complete a VSQG Chemical Inventory Sheet and email it to colin.barrington@veolia.com. Veolia will provide you with a no-obligation disposal quote. If you choose to participate, a time will be scheduled for October 2 to drop off items and make payment.
