Items Not Accepted

Aerosol cans, rubber products, fabrics, wood, paint & chemical containers.

State & Town regulations require that items listed in recyclable list be recycled. Penalties exist for failure to comply.

Recycling Procedures

All recyclables are commingled in one container. ***Do not*** bag recyclables. ***NO PLASTIC BAGS***. Recycling is free of charge.

Aluminum

Rinse cans clean. Also accepted are clean pie pans, clean aluminum foil, etc.
Aluminum cans are collected separately in the fenced in area. All proceeds from their sale goes to the Town of Spider Lake Fire Department.
Scrap aluminum is not accepted in recycling container but can be placed in scrape metal container.

Steel & Tin Cans

Rinse/wash cans clean of all food scraps & flatten.

Plastics

Accepted - #1, #2, #5
Rinse or wash clean, remove caps & flatten. **No** need to remove labels.
Not Accepted
Automotive product containers regardless of recycling # (examples are - oil, antifreeze, windshield fluid.)
Styrofoam, plant pots & trays, salt & top soil bags, plastic packaging, toys, plastic foam products, ***NO PLASTIC BAGS.***

Glass

Clear, brown, & green glass ***food or beverage*** containers ***only***. Remove caps, loose foil, rinse clean.
Not Accepted - Drinking glasses, dishes, light bulbs, headlights, window glass, ovenware, mirrors, crystal & clay pots.

Mixed Paper

Newspaper, magazines, flyers, copy paper, catalogs, paper grocery bags, junk mail, cardboard, boxes. Flatten all cardboard & boxes.
Not Accepted - Any boxes that go in refrigerator such as: milk & juice cartons, pizza & butter boxes.

To make this system work:
CLEAN RECYCLABLES ONLY!
