The driver of a vehicle shall stop in obedience to a stop sign at an intersection where a stop sign is erected pursuant to ordinance at one or more entrances thereto and shall proceed cautiously, yielding to the vehicles not so obliged to stop which are within the intersection or approaching so close as to constitute an immediate hazard, unless traffic at such intersection is controlled by a police officer on duty, in which event, the directions of the police officer shall be complied with. The Illinois Vehicle Code, Illinois Compiled Statutes, Chapter 625, Section 11, entitled “Rules of the Road”, as passed, approved and amended by the Illinois General Assembly is hereby adopted by the City and the provisions thereof shall be controlling within the corporate limits of the City except for the following changes, deletions and omissions:

(A) Omissions:

Omit Sections 11-207, 11-208.1, 11-208.2, 11-209.1, 11-302, 11-303, 11-310(f), 11-313, 11-401 to and including 11-416, 11-500 to and including 11-502, 11-602, 11-603, 11-604, 11-606(b), 11-608, 11-1419, and 11-1422.

(B) Changes and Additions:

(1) Change 11-904(a) to read: “Preferential right-of-way at an intersection may be indicated by stop or yield signs as authorized by this Code.”

(2) Change 11-1416(a) to read: “Any person who shall willfully and unnecessarily attempt to delay, hinder or obstruct and other person in lawfully driving and traveling upon or along any highway within this State or who shall offer for barter or sale, merchandise on said highway so as to interfere with the effective movement of traffic shall, upon conviction, be guilty of a violation of this Code.”

12-4-2 Driving Rules

(A) Careless Driving. It shall be unlawful to operate a vehicle in the City in a careless manner so as to interfere with the safe or lawful operation of any other vehicle or so as to interfere with or to injure, damage, or endanger persons or property engaged in the lawful use of the street.

(B) Drag Racing. No person shall be a participant in drag racing as defined in Section 5/11-504 of the Illinois Compiled Statutes.

(C) Fleeing or Attempting to Elude Police Officer. Any driver or operator or a motor vehicle who, having been given a visual or audible signal by a police officer directing such driver or operator to bring his vehicle to a stop, willfully fails to or refuses to obey such direction, increases his speed, extinguishes his lights or otherwise flees or attempts to elude the officer is guilty of a violation of this Chapter. The signal given by the police officer may be by hand, voice, siren, red or blue light. Provided, however, the officer giving such signal shall be in police uniform and if driving a vehicle, such vehicle shall be marked showing it to be an official police vehicle.

(D) Unlawful Possession of Highway Sign or Marker. Traffic control signals, signs or markers owned by the City shall be possessed only by the City’s employees, police officers, contractors or their employees engaged in highway construction, contract or work upon the roadways or public ways approved by the City. No person shall possess a traffic control signal, sign or marker owned by the city except as provided in this Paragraph without the prior written authority of the City. It is a violation of this Chapter for any person to possess such sign, signal or marker so identified without lawful authority. (625 ILCS Sec. 5/11-313)

(E) Special Speed Limitations on Elevated Structures. No person shall drive a vehicle over any bridge or other elevated structure constituting a part of a highway at a

speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure when such structure is sign-posted. Upon the trial of any person charged with the violation of this section, proof of the determination of the maximum speed by the City and existence of such signs is conclusive evidence of the maximum speed which can be maintained with safety to such bridge or structure. (625 ILCS Sec. 5/11-608)

(F) General Speed Restrictions. The speed limits on all streets shall be approved by the City Council, and shall not exceed twenty-five miles per hour (25 mph) on a residential street or an arterial street unless otherwise posted. School zones shall have a speed limit of twenty miles per hour (20 mph) (625 ILCS Sec. 5/11-604)

(G) Failure to Reduce Speed. A vehicle shall be driven upon the streets and alleys of this City at a speed which is reasonable and proper with regard to traffic conditions and the use of the street or alley. The fact that the vehicle does not exceed the applicable maximum speed limit does not relieve the driver of the duty to decrease speed when approaching and crossing an intersection or when special hazard exists with respect to pedestrian or other traffic or by reason of weather or highway conditions. Speed must be decreased as may be necessary to avoid colliding with any person or vehicle on or entering the highway in compliance with legal requirements and the duty of all persons to use due care.

(H) Traffic Lane Usage. Whenever any roadway within the City has been divided into two (2) or more clearly marked lanes for traffic, a vehicle shall be driven as nearly as practicable entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.

(I) U-turns Prohibited. No driver of a vehicle shall make a “U-turn” on any street or at any intersection of any streets in the City.

(J) Special Speed Limit While Passing Schools. No person shall drive a motor vehicle at a speed in excess of twenty miles per hour (20 MPH) while passing a school zone while traveling upon any public thoroughfare on or across which children pass going to and from school during school days when school children are present.

This section shall not be applicable unless appropriate signs are posted upon streets and maintained by the City or State wherein the school zone is located (625 ILCS 5/11-605)

12-4-3 Duty to Report Accident. The driver of a vehicle which is in any manner involved in an accident within the City shall, without unnecessary delay, notify the Police Department and shall make a report of such action. Failure to report an accident within the City within twenty-four (24) hours shall result in arrests of the person or persons involved. (625 ILCS Sec. 5/11-415)

12-4-4 Transporting Liquor in Vehicles. No person shall transport, carry, possess or have any alcoholic liquor within the passenger area of any motor vehicle in this City except in the original container and with the seal unbroken. (625 ILCS Sec. 5/11-502)

12-4-5 Excessive Noise - Stopped Vehicle. No operator of a motor vehicle shall, when the motor vehicle is stopped, unreasonably accelerate the engine thereof with the gears of the vehicle in neutral or park, thereby causing an unreasonably loud or excessive noise.

12-4-6 Excessive Noise – Wheels. No operator of a motor vehicle shall when the motor vehicle is stopped, accelerate the engine with the gears of such vehicle in neutral and while so accelerating the engine, shift the gears of the vehicle into a forward or reverse movement, thereby causing an unreasonably loud noise with the drive wheels of the vehicle.

12-4-7 Excessive Noise - Squealing Tires. No operator of a motor vehicle shall cause the wheels of such vehicle to spin violently, thereby causing an unreasonably loud or excessive noise. (625 ILCS Sec. 5/11-505)

12-4-8 Reckless, Negligent or Careless Driving. It shall be unlawful to operate any vehicle in the City in a careless, reckless, negligent or wanton manner, or carelessly so as to endanger life or property.

(A) When a law enforcement agency authorizing the impounding of a vehicle does not know the identity of the registered owner, lienholder or other legally entitled person, that law enforcement agency will cause the vehicle registration records of the State of Illinois to be searched by the Secretary of State for the purpose of obtaining the required ownership information.

(B) The law enforcement agency authorizing the impounding of a vehicle will cause the stolen motor vehicle files of the State Police to be searched by a directed communication to the State Police for stolen or wanted information on the vehicle. When the State Police files are searched with negative results, the information contained in the National Crime Information Center (NCIC) files will be searched by the State Police. The information determined from these record searches will be returned to the requesting law enforcement agency for that agency's use in sending a notification by certified mail to the registered owner, lienholder and other legally entitled persons advising where the vehicle is held, requesting a disposition be made and setting forth public sale information. Notification shall be sent no later than ten (10) business days after the date the law enforcement agency impounds or authorizes the impounding of a vehicle, provided that if the law enforcement agency is unable to determine the identity of the registered owner, lienholder or other person legally entitled to ownership of the impounded vehicle within a ten (10) business day period after impoundment, then notification shall be sent no later than two (2) days after the date the identity of the registered owner, lienholder or other person legally entitled to ownership of the impounded vehicle is determined. Exceptions to a notification by certified mail to the registered owner, lienholder and other legally entitled persons are set forth in 625 ILCS 5/4-209.

(C) When ownership information is needed for a towing service to give notification as required under this Code, the towing service may cause the vehicle registration records of

the State of Illinois to be searched by the Secretary of State. The written request of a towing service, in the form and containing the information prescribed by the Secretary of State by rule, may be transmitted to the Secretary of State in person, by U.S. Mail or other delivery service, by facsimile transmission, or by other means the Secretary of State deems acceptable. The Secretary of State shall provide the required information, or a statement that the information was not found in the vehicle registration records of the State, by U.S. Mail or other delivery service, facsimile transmission, as requested by the towing service, or by other means acceptable to the Secretary of State.

(D) The Secretary of State may prescribe standards and procedures for submission of requests for record searches and replies via computer link.

(E) Fees for services provided under this Section shall be in amounts prescribed by the Secretary of State under Section 3-821.1 of the Illinois Municipal Code. Payment may be made by the towing service using cash, any commonly accepted credit card, or any other means of payment deemed acceptable by the Secretary of State. (625 ILCS 5/4-205)

12-7-7 IDENTIFYING AND TRACING OF VEHICLE. When the registered owner, lienholder or other person legally entitled to the possession of a vehicle cannot be identified from the registration files of this State or from the registration files of a foreign state, if applicable, the law enforcement agency having custody of the vehicle shall notify the State Police, for the purpose of identifying the vehicle owner or other person legally entitled to the possession of the vehicle. The information obtained by the State Police will be immediately forwarded to the law enforcement agency having custody of the vehicle for notification purposes as set forth in Section 12-7-6 of this Code. (625 ILCS 5/4-206)

12-7-8 RECLAIMED VEHICLES; EXPENSES.

Notice of the time and place of the sale shall be posted in a conspicuous place for at least ten (10) days prior to the sale on the premises where the vehicle has been impounded. At least ten (10) days prior to the sale, the law enforcement agency where the vehicle is impounded, or the towing service where the vehicle is impounded, shall cause a notice of
