Parent Commitment Contract

A long-standing tradition of the **Mineral Point Swim Team** is that families provide support to the program. Parents are essential to ensuring a **successful** swim season!

Your involvement is **just as important** as your child's swimming. The team relies on parents to assist with **home meets**, including timers, runners, concessions, bullpen, ribbon preparation, and cleanup. Training will be provided.

We understand summer vacations happen! If all families contribute when available, we can ensure a smooth season for all.

Throughout the season, you will receive updates about volunteer opportunities via **email and the SportsYou app.**

Please select your volunteer interest(s):

- Concessions
- Timer
- Bullpen
- Starter
- Practice helper/coach
- Event planning
- Card runner
- Meet setup or cleanup
- Photography
- Ribbon prep
- Organizational support

By signing below, I agree that at least **one** member of our family will volunteer at each **home meet** our child(ren) attends and support team fundraising efforts by donating to support the home meet concession stands and other fundraising opportunities throughout the season
