IMAGINE YOUR STORY

Summer Reading Program at the Cheshire Library

As in past years, a reading log will be kept by the reader. The logs should be completed by August 24th. Names of the readers who participated will be placed into a drawing for a Grand Prize.

There will be four categories: 2 to 4 years, 5 to 10 years, Tweens, and Adult.

The Tweens and Adults will keep track of their books on the back of the bookmarks which should include their name and telephone number. The bookmarks will then be placed into a drawing for the grand prizes of that category.

Books that are read can be recorded on both logs.
