LAND USE DEVELOPMENT APPLICATION INSTRUCTIONS

This application package is being provided to assist you in meeting the requirements for submission of a complete application to the Joint Land Use Board and to advise you of the steps you must take as your application is processed. All application packages must be submitted to the Joint Land Use Board Secretary and to the Board's professionals. Questions should be directed to the Board Secretary at the number noted above.

STEP 1. APPLICATION SUBMISSION

1. An original application package with all required signatures plus 15 collated copies and (1) one digital must be delivered to the Board Secretary 15 calendar days prior to a scheduled meeting in order to be considered for that meeting. **Application packages that are not collated into sets will not be accepted.**

Submission of a package before the deadline does not guarantee that the application will be heard at the Board's next meeting. No application will be scheduled for a hearing date until it is deemed complete.

The nonrefundable application fee and the initial escrow fee must be submitted with the original application. Application packages that are submitted without the required fee checks will not be accepted.

A completed Submission Checklist must be included with the original application package. Failure to submit all required items will delay your application and hearing.

2. In addition to the application packages submitted to the Board Secretary, packages must also be delivered to each of the Board's professionals 15 calendar days prior to a scheduled meeting. The name and address information for the Board professionals is provided on the Professionals Information Sheet. Please refer to the Meeting Schedule and Deadlines list for meeting and deadline dates.

3. Applicants must publish notice of an application in the Burlington County Times and provide notice to property owners within 200 feet of the subject property. A completed Request for List of Property Owners form should be submitted to the Clerk's Office when an application package is submitted to the Joint Land Use Board Secretary. New Jersey law allows 7 business days for processing of the Request for List of Property Owners. **Adjoining Municipalities**—If the subject property is within 200 feet of an adjacent municipality, notice of the application must be served on the Clerk of that municipality. In addition, you must request a 200' list from the municipality and notice of your application must be served on the persons and entities whose names appear on that list.

STEP 2. COMPLETENESS REVIEW

Staff and professionals will review the application package within 45 calendar days of receipt and will check to ensure that all items required for submission have been received. All required documentation should be provided, however, you may request waivers from various checklist submission requirements.

The Joint Land Use Board has designated the Board Engineer to make completeness determinations. The Engineer will send you written notification advising you of your application status. If your application is deemed incomplete, the notice will advise you in what manner it is deficient. When all missing items are submitted or necessary corrections are made, the application will be placed on the Board's agenda.

Please be advised that some aspects of review may require several days. Submission of a package before the deadline does not guarantee that the application will be heard at the Board's next meeting. The Joint Land Use Board Secretary will notify you of the date your application will be heard. A final determination of completeness will be made by the Board at your hearing.

STEP 3. PUBLIC NOTIFICATION & SUBMISSION OF PROOF OF NOTICE

In accordance with N.J.S.A. 40:55D-12, notice must be published in the official newspaper of Mount Holly Township which is the Burlington County Times and provided to property owners within 200 feet of the subject property. Please review the instructions provided in the Public Notice section of this application package.

STEP 4. PREPARE THE PRESENTATION

The presentation to the Joint Land Use Board should be brief and concise but it should provide all relevant facts and address the requested variances. Photographs, sketches, witnesses and/or any other pertinent information may be presented. Copies of all exhibits used in the hearing must be given to the Board Secretary. The burden of proof is on you, the applicant, since you are the one asking for an exception to the ordinance. The Joint Land Use Board is required to consider certain tests in evaluating your application as specified in the Municipal Land Use Law.

Board professionals will prepare reviews of your application. Copies will be provided to you and to the Board members approximately one week prior to your hearing. Items in those reviews should be addressed at the hearing.

If you are a corporation, partnership, LLC or some other type of entity you must be represented by an attorney in order to appear before the Joint Land Use Board. Individuals are not required to have an attorney.

Your professionals and experts will be qualified prior to giving testimony at the Joint Land Use Board hearing. The lack of a New Jersey license does not prohibit an individual from testifying but may preclude that person from being qualified as an expert witness by the Board.

STEP 5. ATTEND THE HEARING

The Joint Land Use Board typically meets on the third Monday of each month at 7:00 PM in the Municipal Building of Mount Holly located at 37 Washington Street, Mount Holly, New Jersey.

Please refer to the attached schedule for specific meeting dates. Meetings begin at 7 PM. Board agendas are posted on the Township website at www.twp.mountholly.nj.us.

STEP 6. AFTER THE HEARING

A resolution will be presented and memorialized by the Joint Land Use Board within 45 calendar days of their decision. A copy of the resolution will be mailed to you and to the professionals listed on your application.

The Board Secretary will submit a Notice of Decision to the Burlington County Times for publication within ten (10) calendar days of the memorialization of the resolution. Any party interested in appealing the decision of the Joint Land Use Board must do so within 45 calendar days of the publication of the Notice of Decision.

Items to submit after the hearing:

1. Conditions of Approval. Any and all conditions of approval must be satisfied (legal documents, additional information, etc.). Items should be submitted to the Board Secretary and to the appropriate Board professional for review.
2. Conformance Plans. Plans should be submitted to the Board Engineer and Board Planner for review and an informational copy should be submitted to the Board Secretary.
3. Escrows. Any outstanding bond payments, inspection escrows and/or additional review escrows must be paid prior to the issuance of any permits. Should a positive balance remain in an escrow account after the project is complete and all invoices are submitted, a written request for the refund of the remaining escrow must be submitted to the Board Secretary.
4. Permits. Permit applications may be obtained from the Construction Secretary. Applicants who apply for permits prior to the expiration of the 45 day time period for appeal must sign a Consent to Assume Liability form.

Please contact the Joint Land Use Board Secretary, Jill C. Torpey, at 609-864-1175 or via email at jtorpey@twp.mountholly.nj.us with any questions regarding this application package.

**MT. HOLLY TOWNSHIP
LAND USE BOARD
AGREEMENT TO PAY FEES**

THIS AGREEMENT, made and entered on this _____ day of _____, 20____
by and between the Mt. Holly Township Land Use Board (the Board) and
_____ (the Applicant), is made upon the following terms and conditions:

1. **AGREEMENT TO PAY FEES:** Applicant hereby covenants and agrees to pay all charges and fees imposed by the Board in connection with the Joint Land Use Board Application filed contemporaneously herewith. Such fees include but are not limited to application fees, attorney review fees, engineer review fees, planner review fees, court stenographer fees, copy costs and postage. The Board will not sign plans or deeds and will not release signed plans or deeds until all such charges and fees have been paid in full.

Notwithstanding the existence or terms of any partnership, joint venture, reimbursement or other agreement between the Applicant and one or more third parties, the individual or legal entity that signs this Agreement shall be solely and exclusively responsible for all fees chargeable to the Application filed contemporaneously herewith and to the project identified at the end of this Agreement.

2. **ESCROW DEPOSIT:**

- a. Two checks are to be submitted. One check for the non-refundable application fee and a second check for the escrow deposit. The Board hereby acknowledges receipt of an escrow deposit in the amount of \$ _____. Said sum is to be placed in an escrow account to cover the cost of the aforementioned review fees. Such sum shall be charged periodically as fees and charges accrue. The balance of the escrow sum, if any, after all charges and fees have been paid shall be returned to the Applicant.
- b. Applications by individuals or business entities that owe, or business entities with one or more common principals of a business entity that owes an outstanding balance from a prior application will not be heard by the Board until the outstanding balance is paid in full. As used herein, the terms principal or common principal mean an individual or business entity that holds an ownership interest in both the applicant business entity and the debtor business entity.
- c. Whether the debt was incurred by the current owner, a previous owner or a previous applicant, if an outstanding balance remains unpaid on a previous application pertaining to this property, the Board will not hear a new application pertaining to this property or any portion of this property until the outstanding balance is paid in full.

3. **ADDITIONAL ESCROW:**

- a. The Escrow deposit is an estimate of the professional review fees that will be incurred (Engineering, Legal, Planning, Stenographic, etc.) by the Board to review the Application for Development. These Escrows are established on the basis of the Applicant submitting completed Applications and Plans in conformance with applicable Ordinance Provisions. Any further submissions required on behalf of the Applicant shall be deemed re-submissions, and the Applicant shall be required to post additional fees totaling 50% of the original escrow deposit for each plan submitted after the original submittal.

- b. If, as a result of the Applicant's failure to replenish the escrow account, the account contains insufficient sums to pay current plus anticipated additional review fees, the Board will not conduct further hearings on the application until the applicant replenishes the escrow account as directed. In addition, the Applicant's failure to replenish the escrow account will be deemed an extension of the Board's time to act on the application or, the Board may deny the application without prejudice.

4. **ESCROW ACCOUNT MANAGEMENT:** Whenever the Review and/or Inspection escrows paid under this Agreement shall exceed \$5,000.00, it shall be deposited in a banking institution or Savings & Loan Association in this State, insured by an Agency of the Federal Government, or in such deposits by the State of New Jersey in an account bearing interest at the minimum rate currently paid by the institution or depository on time or savings deposits.

- a. The Township's Chief Financial Officer shall notify the Applicant, in writing, of the name and address of the institution or depository in which the deposit is made, and the amount of the deposit.
- b. If the amount of interest earned on the deposit exceeds \$100.00, the interest earned shall be refunded to the Applicant by the Township on an annual basis or at the time the deposit is repaid or applied for the purpose it was deposited, as the case may be; except that the municipality may retain for administrative expenses a sum equivalent to no more than 33 1/3% of the entire amount, which shall be in lieu of all other administrative and custodial expenses.
- c. In the event that the interest paid on a deposit for a year does not exceed \$100.00, the same is to be retained by the Township.
- d. For those Developments for which reasonably-anticipated inspection fees are less than \$10,000.00 fees may, at the option of the Developer, be paid in two installments. The initial amount deposited by the Developer shall be 50% of the reasonably-anticipated fees. When the balance on deposit drops to 10% of the reasonably-anticipated fees because the amount deposited by the Developer has been reduced by the amount paid to the Engineer for inspection, that Developer shall deposit the remaining 50% of the anticipated inspection fees.
- e. For those Developments for which the reasonably-anticipated inspection fees are \$10,000.00 or greater, fees may, at the option of the Developer, be paid in four installments. The initial amount deposited by the Developer shall be 25% of the reasonably-anticipated fees. When the balance drops to 10% of the reasonably-anticipated fees because the amount deposited by the Developer has been reduced by the amount paid to the Engineer for inspection, the Developer shall make additional deposits of 25% of the reasonably-anticipated fees.
- f. The municipal engineer shall not perform any inspection if sufficient funds to pay for that inspection are not on deposit.

5. **CONTEST OF REASONABLENESS:**

- a. The Applicant agrees to pay any additional sums required to pay charges and fees not covered by the initial escrow deposit within fifteen days after receipt of a billing by the appropriate Township Office. The Applicant understands and agrees to pay such sum notwithstanding any dispute as to the reasonableness of fees and charges. Payment

shall not constitute a waiver of the right to challenge the reasonableness of charges and fees as set forth herein below.

- b. The Applicant agrees that the reasonableness of any fee or charge may be challenged pursuant to the procedure set forth in NJSA 40:55D-53.2a. The Applicant understands and agrees that the aforesaid procedure shall be the sole and exclusive method of challenging the reasonableness of charges and fees.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

IF the entity/person on line 1 is a(n) . . .	THEN check the box for . . .

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer.
