(Cash Sales Only)

The Village Garden is an all-volunteer demonstration and learning garden. It's a great place for residents share skills, learn, and network with your neighbors.

The plant sale raises funds, or as we call it, "seed money," to support our ongoing efforts and mission. Every year we grow a wide assortment of vegetables and make regular, weekly donations of fresh produce to local soup kitchens and food pantries.

All plant sale proceeds go towards expanding garden endeavors and community offerings.
