

MAKING A DIFFERENCE IN SISTER BAY/LIBERTY GROVE

Senior Advocates for Independent Living

Our mission is to improve the quality of life for older adults in Sister Bay/Liberty Grove by connecting them to available services.

Local Dedication

We are implementing the “village” model. It’s not a place, it’s a way! A community-based, grassroots organization formed through a cadre of caring neighbors who want to change how we age-in-place.

We have solutions using a proven model to help assure that we can remain independent in our homes and engaged in our community. Learn more about what is a village at YouTube -<https://youtu.be/98WI8RIZck4>
