31 **Sec. 7.07 Denial, Revocation or Suspension of Licenses.**

32 The Village Board shall have the power to deny, revoke or suspend any license or permit issued under  
33 this article for a violation of this article.

- 34 (a) Denial of a license. The Village Board shall have the power to deny a license:
  - 35 1. If the applicant, being any individual, any partner of a partnership, any member of a limited lia-  
36 bility company, any agent of a limited liability company or corporation, and any officer of a cor-  
37 poration, has been convicted of a felony (unless duly pardoned).

1 the department will issue a seller’s permit or sales and use tax registration certificate to that per-  
2 son or register that person to collect, report and remit sales and use tax. In the case of a single-  
3 owner entity that is disregarded as a separate entity under ch. 71, the requirement to hold a  
4 seller’s permit is satisfied if the seller’s permit is in the name of either the disregarded entity or  
5 its owner. [“Department” in this section refers to Department of Revenue.]

6 (b) Revocation or suspension of a license. The Village Board shall have the power to revoke or  
7 suspend any license as follows:

- 8 1. The proceedings shall be commenced by a summons, signed by the Village Clerk, di-  
9 rected to any peace officer, commanding the licensee to appear before the Village Board  
10 on a day and place named in such summons, not less than 20 days from the date it is  
11 served on the licensee, to show cause why the license or licenses should not be revoked  
12 or suspended. The summons may be served on the licensee personally or upon the person  
13 in charge of the place to which the license is related.
- 14 2. A complaint signed by the Village Clerk stating the grounds for the proposed revocation  
15 or suspension shall be served at the same time as the summons.
- 16 3. If the licensee does not appear at the hearing, the complaint shall be taken as true. If the  
17 licensee appears at the hearing and denies the complaint, each party may produce wit-  
18 nesses and be heard by counsel. If, upon such hearing, the Village Board shall find that  
19 any of the alleged grounds stated in the complaint are true, the license may be suspended  
20 for not less than 10 days nor more than 90 days or be revoked. If the Village Board finds  
21 the complaint to be untrue, the proceedings shall be dismissed without costs to the ac-  
22 cused. When a license is suspended or revoked, it shall be entered of record by the Vil-  
23 lage Clerk or Deputy Clerk and the Village Clerk or Deputy Clerk shall forthwith notify  
24 the Wisconsin Department of Revenue of such suspension or revocation. No other license  
25 shall be granted to such person within 12 months of the date of a license revocation nor  
26 shall any part of the money paid for any license so suspended be revoked or refunded.
