

AGE THE WAY YOU WANT, IN THE PLACE YOU WANT TO BE,

while being in part of the community that you love!

We are implementing the “village” model.
It’s not a place, it’s a way!

A community-based, grassroots organization formed by caring neighbors who want to change how we age in the place we call home.

We have solutions to help assure that we can remain independent in our homes and engaged in our community.

MAKING A DIFFERENCE IN SISTER BAY & LIBERTY GROVE

*Helping each other age in the
community that we love!*

THE SAIL STORY

SAIL, Senior Advocates for Independent Living will support the Village of Sister Bay and the Town of Liberty Grove allowing seniors to “Age in Place.”

We began our grassroots effort in 2023 with just a small handful of local residents wanting to make a difference in how we age in our community.

We are a member of the Village to Village Network, supporting over 300 villages nationwide.
