Project Notification Letter:

Subject: Upcoming Road Construction Notice – T. Three Lakes, Town Road X Improvement Project

Dear Resident, Business Owner, and Local Official,

This letter is to inform you that construction is scheduled to begin on the **T. Three Lakes, Town Road X, Eagle River Bridge** located on **Town Road X** between **Luebbing Road** and **Goodenough Road. Janke General Contractors, Inc.** has been awarded the contract by the Wisconsin Department of Transportation (WisDOT) to complete this project.

Construction is anticipated to begin on or about **July 27th** and is expected to be completed by **October 9th**, weather and field conditions permitting.

Planned Construction Operations

The project will generally be completed in the following sequence:

- **Stage 1**: Pier #1 Construction
- **Stage 2:** Pier #3 Construction
- **Stage 3:** Pier #2 Construction

Please note that this schedule may be adjusted due to weather conditions, unforeseen site conditions, or other construction-related factors.

Traffic Impacts

During construction, motorists should expect temporary traffic control, reduced speeds, lane restrictions, and occasional delays throughout the project limits.

Property Access

Every effort will be made to maintain reasonable access to homes, businesses, farms, and other properties throughout construction. While temporary disruptions may occur during activities immediately adjacent to driveways, the contractor will coordinate with affected property owners in advance whenever practical. Emergency vehicle access will be maintained at all times.

Full Roadway Closures (Not anticipated at this point, but will be 7 days notice if one is needed)

Certain construction activities will require **temporary full roadway closures**. These closures are currently anticipated to occur approximately:

- **Beginning:** August 14th

1223 River View Lane • Athens, WI 54411
Phone: 715-257-7901 • Fax: 715-257-1082
e-mail: office@jankegeneral.com

- **Ending:** August 14th
- **Beginning**: September 10th
- **Ending**: September 10th
- **Beginning**: October 5th
- **Ending**: October 5th

Local access will be maintained to the extent practical up to the closure points. Additional notifications will be provided before these closures begin if the schedule changes significantly.

Staying Informed

Construction activities are weather dependent, and schedules may change throughout the project. We appreciate your patience and cooperation while these necessary improvements are completed.

If you have questions or concerns regarding the project, please contact:
