

The Sabattus Sanitary District & Water Division has received the SHAPE (Safety and Health Award for Public Employees) through Maine's Department of Labor for 2025. Through the efforts of the District's staff, they have again received the highest honors for promoting and consistently improving conditions for the safety and health of their employees. The SHAPE award and exemption is extended to March of 2028. The District was presented the award back in 2015 and has continued since. Employees are left to right; Paul Morin / Superintendent, Brian Redmun /Operator, Mark Duquette / Chief Operator, JP Mitchell / operator.
