REPORT DEDICATION

JP Normand “Norm” LaPlante

JP Normand “Norm” LaPlante, 89, passed peacefully on September 27, 2025, with his wife by his side. Born in Lewiston and a proud graduate of Lewiston High School’s Class of 1955, Norm lived a BIG life. To civilian friends and family, he was Norm, but to his brothers and sisters in service he was JP.

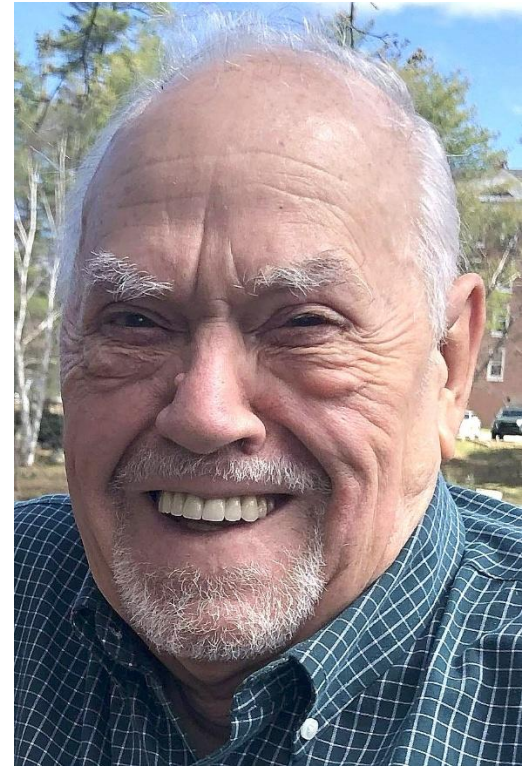

From a young age, Norm was deeply passionate about service. He wore many uniforms over his lifetime: two years in the Marine Corps Reserve, four years in the U.S. Air Force, two years in the Army Reserve, and seventeen years in the Maine Army National Guard, where he retired in 1996. His dedication to fellow servicemen continued as President of the Maine Army National Guard Enlisted Association and as a lifelong member of the American Legion, Franco American War Veterans, and Sampson AFB Veterans.

Norm’s commitment to community was just as strong. He spent years on PTAs, parent-teacher clubs, and booster groups, always supporting his daughters’ schools. He served the Sabattus Police Department, chaired both the Sabattus and Union 44 School Committees, and represented his community in the Maine State Legislature for six years, four of them as Chairman of the Local and County Government Committee. Later, he was elected to the Sabattus Charter Commission, Select Board, Sanitary District, Water and Sewer District, and more. He also served as Emergency Management Director for Sabattus and chaired numerous committees from building the town gazebo to running the Fun Festival. Norm believed in showing up and getting things done, and his community is stronger for it.

His professional life spanned more than 30 years in sales, management, and logistics followed by 18 years as a realtor. He served on the Androscoggin Valley Board of Realtors (including as President from 2003 to 2005), the Maine Association of Realtors Convention Committee, and chaired Realtor tournaments for a decade. He was also appointed twice by governors to serve as a Consumer Representative on the Maine State Board of Optometry.

Norm gave his time generously to causes he cared about, serving on the boards of the Lewiston-Auburn Sexual Assault Center and Anti-Drug Coalition, leading the Sabattus Regional Credit Union Board, and serving as Treasurer and Vice-President of Network L/A. For 20 years he also brought joy as President of “JUST US” Entertainers, a nonprofit musical troupe.

Above all else, Norm was a devoted father. From the time his daughters were born, he took joy in being deeply involved in their lives. He was proud of every milestone, from school events to professional accomplishments, and he never missed an opportunity to cheer them on. Norm often said he was meant to raise daughters, and he embraced that role with enthusiasm, love, and unwavering support. His greatest legacy will be the love he poured into his family and the pride he carried in their lives.

REPORT DEDICATION

Katherine Williams

On April 2, 2025, the close-knit community of Sabattus, Maine suffered a heartbreaking loss. Katherine Williams, 54, a beloved mother, friend, coach, sister and bright light in so many lives was tragically taken from us far too soon. Katherine was the kind of person who made everyone feel seen, valued, and loved. Whether she was cheering on her daughters from the sidelines, lighting up the dance floor as an adult tapper, or volunteering in the community, she brought joy and warmth to every space she entered. She gave selflessly, always ready with a smile, a hug, or a word of encouragement. She made people feel like family. Katherine served as the Food Service Manager in all the RSU4 schools. She held a special place in her heart for each and every student. She was a proud dance mom, field hockey supporter, equestrian enthusiast, and above all, a devoted wife to her husband Andy, loving mother to her daughters, Erikka and Jesikka, and her stepdaughter, Nicole and her son, Logan. The world feels dimmer without her radiant presence.

Dear Friends,

It is an honor to serve the people of Maine, and I welcome this opportunity to update you on the work that has taken place in the Senate over the past year. My staff and I have addressed numerous issues affecting our state, and I would like to share some of the progress that we have made.

Since my *Social Security Fairness Act* was signed into law in January 2025, the law has been fully implemented and restored earned retirement benefits to 2.8 million Americans. More than 25,000 Mainers have seen their monthly benefits increase and have been issued more than \$184.5 million in retroactive payments. I am proud that this legislation has improved the lives of many retired firefighters, teachers, police officers, and other public employees and their spouses.

I was honored to become the first Maine Senator in nearly a century to lead the Appropriations Committee. Since I took this role last January, Congress enacted full-year appropriations bills before December for the first time since 2018. These bipartisan bills included full-year funding for Military Construction and the Department of Veterans Affairs, the US Department of Agriculture, and the Food and Drug Administration. At my request, these bills included nearly \$35 million in Congressionally Directed Spending (CDS) for local projects across Maine that will improve fire stations and emergency services, update municipal buildings, and support upgraded facilities at the Maine National Guard and Portsmouth Naval Shipyard (PNSY) in Kittery. This funding builds on the nearly \$1.1 billion in CDS I have secured since 2021 for worthy projects that benefit local communities and nonprofits across our state's 16 counties. As Chair, I remain committed to working to better ensure that federal spending and investments produce real results for the people of Maine.

I have also led other important legislative efforts this year that address problems many Mainers face. This includes bills that expand federal efforts to combat Lyme disease and other tick-borne illnesses and improve access to early testing for Alzheimer's disease. Provisions I authored to strengthen prevention, treatment, and recovery services for those struggling with substance use disorders and mental illness were included in the *SUPPORT for Patients and Communities Reauthorization Act* that was recently signed into law. An amendment I authored in this year's *National Defense Authorization Act* will increase apprenticeship opportunities at public shipyards like PNSY. That bill also includes more than \$400 million to support critical infrastructure improvements at PNSY and a well-deserved 3.8 percent pay raise for all our nation's service members.

In addition to advancing legislation, I worked to ensure that federal commitments to Maine were maintained and, when necessary, restored. I secured a seasonal employee exemption for Acadia National Park from the Administration's federal hiring freeze and from closure during the recent government shutdown. I protected local programs like Maine Sea Grant and global initiatives like the President's Emergency Plan for AIDS Relief (PEPFAR) from harmful funding cuts. I led the effort to resume enrollment at Maine Job Corps centers and fought for full funding for Maine's public schools this school year. I preserved funding for the University of Maine System and secured the restoration of funding to the Passamaquoddy Tribe at Pleasant Point and the Penobscot Nation. I protected low-income Mainers' access to key programs like LIHEAP and SNAP. Although I voted against the *One Big Beautiful Bill Act* due to my opposition to Medicaid cuts, I helped secure \$50 billion to support rural health providers through the legislation's Rural Health Transformation Program. Maine has been awarded \$190 million in the first year of this five-year grant program.

Throughout my Senate service, I have never missed a roll-call vote and have cast more than 9,850 consecutive votes—reflecting the Maine work ethic I bring to Washington. My continued ranking as most bipartisan Senator from the Lugar Center and Georgetown University is a testament to Maine's tradition of working with cooperation and respect.

My highest priority as a Senator is to ensure that the State of Maine's needs are met. If ever I can be of assistance to you, please contact one of my state offices or visit my website at collins.senate.gov.

Sincerely,

Susan M. Collins

Dear Friends,

With each year we have a new opportunity to recognize our shared achievements and offer up our time and energy to support one another when challenges arise. I am grateful to the towns across Maine for their dedication to their communities, their residents, and our state. Working together has always been our strength, and the past year proved that once again we are stronger when we work together.

However, it is difficult to recall a year more challenging than the one we just experienced – a year that required a steady focus on our founding principles and shared values. For these reasons, I spent hours on the Senate Floor reminding my colleagues—and many of you back home—about the vision our founders demonstrated when they laid the blueprint for the American experiment. A cornerstone in their understanding was a duty to civic engagement and community. I often refer to Maine as a big town with long roads, and in my travels throughout our state, I am reassured by the grassroots participation in our civic process and the neighborly feel that makes Maine unique.

My legislative priorities remain largely the same: supporting Maine veterans, small businesses, and our heritage industries like agriculture, forest products and the marine economy. Additionally, I am grateful to have an exceptional team across Maine ready to assist you with issues involving the federal government. Whether you are facing challenges related to veterans' services, Social Security, the IRS, passports or other matters, I encourage you to reach out to our offices in Presque Isle, Bangor, Augusta, Portland, or Biddeford. We are here to help and welcome the opportunity to work on your behalf.

Together, I am confident we can continue building a stronger and more prosperous future for our state and nation. Thank you for being one of the many reasons Maine is such a special place. It is truly an honor to serve you and to know you. Mary and I wish you a happy, healthy, and safe 2026.

Congress of the United States
2nd District of Maine

Dear Friends,

I hope this letter finds you well.

As you likely know, my time in Congress will come to an end in January 2027, after which I'll return to my family and my life as a private citizen. So, this is my final town letter. My time as your representative has included a fair share of ups and downs, but one thing that never changed was the pride I brought with me to represent your community and all the others across Maine's 2nd Congressional District.

I've worked with most every community in the District. Together, we've reduced pressure on property taxes by securing congressional funds for local projects. We've passed laws to support Maine's heritage industries and small businesses. And my staff and I have provided direct constituent services, helping thousands of Mainers across the state — including by recovering millions of dollars in federal benefits.

What I've learned through our work together is that there are leaders all over Maine everywhere you look — people committed to service, to their communities and their country: Municipal officials and workers. Business owners and innovators. Servicemembers and law enforcement officers. Volunteer firefighters. And of course, the everyday workers, parents and students who are all doing their part to contribute how they can to their families and communities.

In the next year, if your community, small business, or family has a need, reach out to my nearest district office and talk to us about it. My staff and I can help navigate government programs; find federal resources in Maine; and resolve issues with Medicare, Social Security, the VA, and other agencies. Here's the contact info for my offices:

- **Bangor Office:** 6 State Street, Suite 101, Bangor, ME 04401. Phone: (207) 249-7400

Thank you again for the honor of representing you in Congress and the opportunity to serve you and your community.

Respectfully,

Jared Golden

THE MAINE SENATE
132nd Legislature

3 State House Station
Augusta, Maine 04333

Dear Friends and Neighbors,

Having been elected to my fourth term in the Maine Senate, it remains an honor to represent our communities, and I am committed to continuing my work on behalf of working families, farmers, seniors and small businesses throughout our region.

The First Regular Session and the First Special Session of the 132nd Legislature adjourned in March and July of 2025, respectively. The Second Regular Session will convene in January 2026. With hundreds of bills carried over, the upcoming session will be a busy one, particularly as lawmakers continue to grapple with rising costs, workforce shortages and the delivery of essential services in rural Maine.

Many of you have contacted me with concerns about the rising costs of energy, child care, property taxes, and housing, among other challenges. As your State Senator, I will continue advocating for commonsense solutions that ease these pressures on Maine families.

On a personal note, I introduced LD 893 to expand affordable health care options for farmers, a proposal that has been carried over and remains a priority. I also sponsored and helped pass LD 1551 to give food and beverage businesses more flexibility by allowing licensed vendors to share space, helping them manage rising costs and workforce shortages.

I continue to advocate for lower energy costs, including efforts to remove the 100-megawatt cap on hydropower in Maine's renewable portfolio. In addition, my colleagues and I on the Government Oversight Committee remain focused on fixing failures within the Office of Family and Child Services at DHHS, with legislation carried over to strengthen oversight and better protect Maine's children.

Thank you again for placing your trust in me as your State Senator. Please feel free to contact my office at (207) 287-1505 if you have questions, comments, or need assistance with a state agency.

Sincerely,

A handwritten signature in cursive script that reads "Jeff Timberlake".

January 2026

Dear Friends & Neighbors:

Happy New Year!

It remains a distinct honor to serve as your voice in the Maine Legislature. As your State Representative, one of my primary goals is to ensure the needs of Sabattus are prioritized at the State level, particularly for local aid, education funding, and infrastructure.

On January 7, lawmakers convened in Augusta for their Second Regular Session. With an adjournment date of April 15 set in statute, there are many pressing matters to be addressed during this short period, including healthcare and energy costs, taxation, child welfare, housing, and investigations into potential fraud. Decisions made will have a direct impact on our region, thus constituent feedback will assuredly help guide my work. I encourage you to follow legislative proceedings online to keep informed. All meetings of the Legislature's joint standing committees are streamed simultaneously to both the Legislature's Web site (www.legislature.maine.gov) and to the Legislature's YouTube channel (www.youtube.com/@MaineStateLegislature).

As I personally strive to be as accessible and transparent as possible, I hope you will not hesitate to reach out with your questions, concerns, or ideas for future legislation. Likewise, if you have an interest in receiving my regular e-newsletter, please send me your email address so that it can be added to my district distribution list.

Thank you for the opportunity to serve the good people of Sabattus. I look forward to seeing you at town meetings and community events over the year to come.

Best regards,

Stephen J. Wood
State Representative

TOWN of SABATTUS

190 Middle Road • Sabattus, Maine 04280 • Phone: (207) 375-4331 • Fax: (207) 375-4104

It has been a privilege to serve the residents of Sabattus during my first year as Town Manager. Although I am new to this community, I came to Sabattus with five years of municipal management experience from another municipality, and I am grateful for the opportunity to apply that experience in service to this town.

Over the past year, I have worked to gain a thorough understanding of Sabattus's operations, priorities, and traditions. I have been continually impressed by the dedication of town employees, volunteers, board and committee members, and residents who care deeply about their community. Their commitment and institutional knowledge have been invaluable as I settled into this role.

This year presented both opportunities and challenges, and my focus has been on strengthening communication, maintaining fiscal responsibility, and supporting the day-to-day operations that residents rely on. Whether through budget development, policy implementation, or operational improvements, my goal has been to ensure that town government functions efficiently, transparently, and in a manner that serves the best interests of the community.

I would like to thank the Select Board for their support and guidance, as well as the department heads and staff who work tirelessly to keep Sabattus running smoothly. I am also appreciative of the residents who engage in town affairs, attend meetings, and offer thoughtful input. It is this involvement that helps shape a strong and responsive local government.

As we look ahead, I remain committed to continuing to build relationships, improving municipal operations, and working collaboratively to address both immediate needs and long-term goals. I am proud to be part of the Sabattus community and look forward to the work ahead.

Respectfully submitted,

Raquel Welch-Day
Town Manager

Letter from the Chair of the Selectboard

Dear Residents of Sabattus,

I am deeply honored and grateful for the trust you have placed in me by electing me to serve as your Selectboard Chair. I would also like to extend my sincere thanks to my fellow board members for nominating me to represent and lead together as a team. It is a privilege to work alongside such dedicated individuals in service to our community.

Over the past year, we have made significant strides in transparency and community engagement. One of our key achievements was launching YouTube video streaming of our board meetings, making it easier for residents to stay informed and participate in local government from the comfort of their homes.

I have had the opportunity to connect with department heads and lead the 36 No Name Pond Building Committee. Through this committee, we conducted a comprehensive survey of residents and business owners, which revealed that our community values and needs more resources for local members, including enhanced services for the elderly and expanded recreational activities.

In partnership with the Sabattus Recreation Club, I have gained a deeper appreciation for the important work they do to provide services and opportunities for our youth—often as volunteers, without compensation. I also met with members of the American Legion to learn about their ongoing efforts in maintaining our cemeteries and supporting our veterans.

This year, we implemented greater community use of the community room at the Town Office. This space now serves as a hub where residents can access services that might not be available elsewhere, fostering a stronger sense of connection and support.

Additionally, I have worked to keep our town website up to date and ensure timely communication with residents through email updates to our e-subscribers.

I was also delighted to attend the amazing snowmobile Radar Runs put on by our local snowmobile club. Events like these showcase the vibrant spirit of Sabattus and the dedication of our volunteers in bringing the community together.

Furthermore, I had the privilege of attending a CPR event and a blood pressure screening event organized by our Fire Department. These initiatives not only promote health and safety but also demonstrate the department's commitment to serving and educating our residents.

I am also proud to have donated towards multiple school events, supporting our students and educational programs. Investing in our schools is investing in the future of Sabattus, and I am grateful for the opportunity to contribute to these important initiatives.

Thank you again for your confidence and support. I look forward to continuing our work together to make Sabattus an even better place to live, work, and thrive.

With gratitude,
Laura Clifford
Chair, Sabattus Selectboard

Hello Sabattus Residents!!

I started as the Interim Chief of Police in mid-February of 2026. I arrived here under the agreement that my time here was short (Temporary). I was asked to run the day-to-day operations of the police department until such time as it was decided what would become of the Sabattus Police Department. I was cautioned by many when I said that I was coming here, that the department was in shambles and I was undertaking a monumental task. I am happy to say that I arrived to find dedicated officers who were merely looking for direction and stability in the organization. I have done my best to try to provide that to them in the short time that I have been here.

I was also cautioned that the various departments were all fighting amongst each other. I have had nothing but welcoming and good experiences with all aspects of the Town of Sabattus municipal departments. It appears that we are all working together to serve the residents of Sabattus and that maybe the occasional disagreement has been turned into widespread rumor of infighting and bad blood. We don't always see things the same way. That is what makes us all human. We do, however, come together for the good of the town and in the end simply try to do what is right.

Lastly, I was cautioned about the Board of Selectmen. I was told that they are impossible to deal with and that my time spent here would be a constant uphill battle. I am happy to say again that I have found things to be different. My experiences so far have been cordial and professional. I have tried to show that the Police Department is in good shape and dedicated to providing police services to the people of Sabattus. I had been told that likely the Board was going to disband the police department and contract with another agency. That happening would have fit right into my short-term plan. The reason I came here was to try to keep the police department here and see that it flourished and succeeded. I have spent my 38 years in law enforcement believing that towns should have their own local police departments and that the service they receive is much stronger with their own local ties. At the April Select Board Meeting the **Sabattus Leaders voted unanimously to support their Police Department.**

I am now tasked with getting the department to full staff and assisting with finding your new Chief of Police. I will do my very best to find the Chief who will be the right fit and do not only the Police Department but the entire Town of Sabattus proud.

Respectfully,

Jeffrey Goss – Interim Chief of Police

Raquel Welch, Town Manager

Fire Chief
Nick Merry

To the Citizens of Sabattus,

Starting last April, I was hired as Per Diem Firefighter, come mid-October I was approached by then Chief Adam Thacker about being the Interim Fire Chief for the Town of Sabattus as Chief Thacker was moving to a different Dept. I happily accepted the position with open arms. Since coming to Sabattus I quickly learned how trained and professional the men and women of Sabattus Fire were. Probably some of the best trained Fireman in the state are on this Dept. Which made accepting the position much easier. The citizens of Sabattus are extremely lucky and fortunate to have a full-time dept in this town and it's very much needed with our call volume. Unfortunately, with the changing of hands, I don't have accurate numbers of calls for the year. I can inform you, however, that since January 1st of this year we have done 349 calls, which is an average of around 87 calls a month.

During my time as Interim Chief the Dept has sent 2 members to Firefighter 1&2 class which is an intense vigorous class. Lasting almost 6 months long at 3 days a week. We've also hired younger members who are now currently finishing up their EMT-Basic class.

Currently Sabattus Fire is staffed with 30 members, 5 of whom are full-time fireman, 16 Per Diems, 8 Call force members and 1 Support member.

For the Sabattus Fire Dept to maintain the current level of service that this town and citizens deserve and expect, it's imperative that the fulltime staffing stays in place. Without full-time staffing in place the steps that were made to get here will be dissolved. Unfortunately, volunteer days have come and gone as the times have changed. Without full-time staffing it would be hard to guarantee 24/7 coverage to the town, which is greatly needed as we can no longer rely on mutual aid. Sabattus again is very fortunate to have the staffing it does, as surrounding communities do not have what this town has. Sabattus Fire Dept is now being relied on by our surrounding communities to assist with mutual aid calls.

In closing I'd like to thank the board of Selectman, the Town Manager, Office staff at the Town Office, Public Works and Sabattus Police Dept for their continued support and working alongside the Sabattus Fire Dept. Also, would like to thank Assistant Chief Rob Gayton for 17 years as the Assistant Chief. Rob will be stepping down as of July 1st this year. To hold a role in leadership for that long is highly admiral. Rob will stay on as a Per Deim Fireman. Thank You Rob for your years of knowledge and countless hours you dedicated to the Town of Sabattus.

Respectfully,
Nick Merry, Fire Chief

Transfer Station

To the Citizens of Sabattus

Recycling tonnage rate was 34 for 2024 (the most current available) which was 16 Percent below the State of Maine recycling goal. With the help of citizens, we can improve our recycling rate, increase our revenue and decrease household waste as well as reduce the tipping fee charged to the town to disposal.

2025 Recycling Statistics

Cardboard	40 Tons
Newspaper / Magazines	10 Tons
Mixed paper	30 Tons
Glass	8 Tons
Tin/aluminum	7 Tons
Plastic 1-7	12 Tons
TVs/ computers etc.	15 Tons
Metal	123 Tons

By taking recycling out of the waste stream citizens saved \$10,500. In tipping fees and revenue collected \$57,867.00 from demo wood /electronics/metal fees.

Reminder Clear trash bags are required and are available to purchase at the Transfer station.

Syringe users please use a container of hard plastic such as a laundry detergent bottle with a cap. Place your used syringe inside the bottle and secure the cap before disposal and put it in household waste stream

I would like to thank my outstanding staff for doing a great job this past year.

Clifford Michaud, Arthur Cefalo, David Pomerleau, Grace Lake, Gary Norton, Patrick Gustafson

Any resident seeking information regarding the Transfer Station, please leave a message for Jerry at 375-2507 or visit the town website at [www.sabattus.org/our government/Transfer- station](http://www.sabattus.org/our-government/Transfer-station)

TOWN of SABATTUS

Public Works Department

26 Pleasant Hill • Sabattus, Maine 04280 • Phone: (207) 375-8702

The mission of the Town of Sabattus Public Works Department is to provide the highest level of service in a cost-effective manner, guided by honesty, respectfulness, and fairness in addressing public concerns. During the 2025–2026 fiscal year, our department remained focused on maintaining safe roads, protecting infrastructure, and serving the needs of our residents.

Over the course of the year, the Public Works Department swept approximately **32.5 miles of roadway** and completed extensive road maintenance, including the hand placement of **more than 200 tons of hot top and cold patch**. Crews performed **62,700 linear feet of shoulder work**, along with ditching and culvert replacement at **30 separate locations**. In addition, **1,235 feet of ADS pipe** were installed to improve drainage, **80,200 feet of roadside mowing** was completed, and **49 catch basins** were cleaned to help manage stormwater and prevent flooding.

Winter operations continued to be a top priority for the safety of our citizens and the traveling public. During this past winter season, the department responded to **57 weather events**, ensuring roads remained clear and passable under challenging conditions.

This spring, crews trimmed multiple roadways to address tree growth and visibility concerns. Several dangerous trees were also removed to improve safety for motorists and pedestrians. Annual road sweeping operations began on **April 27**, marking the start of the spring maintenance season.

The Public Works Department takes great pride in all aspects of its operations. We are fortunate to have a professional, dedicated team that is committed to the work they do and proud of the accomplishments achieved this year. I would like to extend my sincere thanks to our hardworking crew members and our mechanic for their ongoing dedication and support.

On behalf of the Public Works Department, I would also like to thank the residents of Sabattus for their continued support and cooperation. We remain committed to providing the best possible service to the community and look forward to another productive year ahead.

SABATTUS SANITARY DISTRICT'S ANNUAL REPORT 2025

April 2026

The Sabattus Sanitary District's mission is to continue to serve its customers in a professional manner and strive to achieve quality effluent through its wastewater treatment process and to protect the environment by meeting its discharge permit to the Sabattus River. The Department of Environmental Protection sets strict limits to achieve through our discharge permit and we take pride in meeting those limits on a continual basis. The District continues to go above and beyond to adapt and establish good working relationships with its customers and the people they work with to achieve the goals they set forth in the most cost-effective manner, without affecting the quality of its work and product. Clean and safe drinking water is also a priority for the District as well as providing fire protection to its customers and residents of the community. Since its establishment in 1969, the drinking water in Sabattus meets all of the standards set forth by the State and Federal agencies and its guidelines. The District provides an excellent quality of water provided through 2 gravel packed wells located off of Riley Rd. and Marsh Rd. approximately 60 feet deep and pulls water from an underground aquifer. The District does not add any chemicals to its water supply. The District collects required monthly samples and performs testing to assure safe and great tasting quality water to its customers.

The Sabattus Sanitary District received 2 new residential sewer hook ups in 2025, and the water received 2 new services. In 2025, the Water Division encountered 6 water main breaks, located on Church St., Houle St., Hillside Drive, (3) Island Rd.

The total water pumped from Marsh Rd. pump house for 2025 was 55.01 million gallons, with a daily average of 150,712 gallons per day. All required sampling set by the State were met. The Water Division encountered no violations for 2025. All protocol was followed to assure safe drinking water to our customers.

The water Division had it's 450,000 - gallon concrete reservoir cleaned and inspected with Aqueous Infrastructure Management out of Massachusetts. American Water Works Association and State Best Management practices recommend every 5 years to inspect and clean tank. Last contract was in 2020. No significant findings were found and tank is in good shape.

The Water Division upgraded its controls at the Main water pump house located on Marsh Rd. The new SCADA system gives better pump operational control and records trending.

The Sewer Division treated approximately 30.18 million gallons, with a daily average of 82,685 gallons per day discharged into the Sabattus River. No violations occurred in 2025. Again, all testing required by the State met their requirements.

The district is always working and updating its Capital Improvement Plan (C.I.P.) for both departments. The District currently budgets these capital expenses and reserve accounts in its annual budget.

The District cleaned one of the two sludge reed beds using a local contractor and Cross Excavation by having the sludge byproduct hauled to a landfill in Norridgewock Maine. Sludge is becoming a challenge for disposal due to regulations, capacity and cost.

The District continues to contract with the Town to do some of its administrative duties in an order to save money and keep rates stable. All Payments will be made at the Town Office. We continue to communicate with the Town Manager and their staff on upcoming projects, safety issues etc... that benefit not only the employees but the ratepayers. The District is always looking for ways to provide its customers with the best quality product and do it in a cost-effective manner.

The District is still working with Olver Associates from Winterport Maine. We continue to focus on upgrading the plant and we will be seeking State and Federal funding to help offset the cost of the upgrade. The design of the upgrade is mostly completed with Maine DEP assisting with some grant funding. The last upgrade the plant has was in 1989 (37 years ago). The life of a wastewater plant is typically 20-25 years so the age alone as well as new Federal and State requirements are main reasons for the upgrade. The cost of the upgrade is near 25 million dollars.

DEP over the years has increased its requirements on what we can discharge into the Sabattus River. The latest mandate is Nutrient removal such as phosphorus removal. This is very expensive to treat via chemical addition as well as an added sand media filtration process. The process for funding, planning, etc. is a lengthy process. The District will be evaluating all information and will be holding public hearings at some point to gather any public comments and input.

Superintendent
Sabattus Sanitary District & Water Division

Code Enforcement Officer Annual Report

Throughout the year, the Code Enforcement Office focused on consistent and fair enforcement of local and state regulations related to land use, building, and life-safety standards. Much of my time was spent reviewing permit applications, conducting inspections, responding to complaints, and working with property owners to address compliance issues. I have made every effort to approach each situation with professionalism, education, and open communication, recognizing that many enforcement matters can be complex and unfamiliar to residents.

A key goal during my first year was to develop positive working relationships with residents, contractors, and other Town departments. Collaboration with the Sewer District, Public Works, Fire, and Administration has been essential in ensuring that projects move forward efficiently and safely while remaining consistent with Town ordinances and state requirements.

I also spent time becoming familiar with Maine Uniform Building and Energy Codes, shoreland zoning requirements, and local land use ordinances to ensure decisions are informed, consistent, and defensible. Looking ahead, my priorities include continued public education on permitting requirements, maintaining consistent practices, and working with Town officials to identify ordinance updates or procedural improvements where needed. I remain committed to providing fair, respectful, and transparent code enforcement services, to the best of my ability, that protect public safety and support responsible development within the community.

Thank you for the opportunity to serve the Town in this role.

Respectfully submitted,

Ginifir S. Giddinge

ASSESSORS' AGENT ANNUAL REPORT

The Town of Sabattus maintains permanent records with title information, descriptions of land and buildings, and the valuation of all properties taxable and exempt, tax maps, lists of property, property tax cards, commitment books, exemption applications and proof of qualifications.

Property Tax Exemptions

The Town is now at 70% market value for 4/1/25

Homestead Exemption

Under this law, homeowners are eligible for a \$17,500 for Tax Year 2025. In order to qualify you must have owned property in Maine for at least twelve months prior to April 1st, and make the property you occupy your permanent residence.

Veteran's Exemption

A home owner may be eligible for a reduction in the valuation of his/her property if s/he:

- Has permanent residence in Sabattus on April 1st
- Is a veteran who was honorably discharged.
- Served during a recognized war period in the U.S. Armed Forces
- Is 62 or older or an un-remarried widow/widower of a qualifying veteran
- Is under age 62 but 100% disabled due to a service-related disability.

An application along with proof of service and discharge, such as a copy of a DD214 form must be provided for veterans who served during WWII or later. The exemption is a \$4,200 reduction in valuation.

Paraplegic Veteran

A veteran that received a federal grant for a specially-adapted housing unit may receive an exemption of \$35,000 in valuation.

Blind Exemption

A homeowner that is determined to be legally blind by a medical doctor receives a \$2,800 exemption.

All of the above exemptions require a completed application and may require additional information to support the claim for exemption. All applications must be submitted to the Town Office no later than April 1st of any given year.

Current Use Programs

The State of Maine offers the following "current use programs" which give the property owner a reduction in his/her assessed value. Applications for all these programs are available at the Town Office or at the Maine Revenue Services website (www.maine.gov). All applications must be filed on or before April 1st. In order to be eligible, each program has certain criteria that must be met. Any change in use of the land warrants withdrawal from the program and a penalty assessed.

Tree Growth

This program provides for the landowner with at least 10 acres of forested land that wishes to maintain land for the planting, culture, and continuous harvesting of trees. A Forest Management and Harvest Plan must be prepared and submitted with the application. Applications must include a map of the parcel indicating the forest type breakdown as well as all other areas not classified as tree growth. The 100% valuation per acre for each forest type by county is determined by the State Tax Assessor each year. If the classified parcel no longer meets the criteria of eligibility or the landowner withdraws from the program, a penalty on an amount between 20% and 30% of the difference between the tree growth value and the fair market value will be assessed depending on the amount of time in the program.

Farmland

In the farmland program, the land must be used for farming, agriculture, or horticulture. Farmland can include woodland and wasteland. At least five (5) contiguous acres of land is required and the tract must contribute at least \$2,000 gross income from farming activities per year in one of the two, or three of the five calendar years preceding the date of application. If the property no longer qualifies as farmland or the landowner withdraws from the program then a penalty will be assessed that is equal to: the amount of taxes that would have been paid in the last five years had it not been in the program, less the taxes that were originally assessed, plus any interest on that balance.

Open Space

Under this program no minimum acreage is required and the tract of land must be preserved or restricted in use to provide a public benefit such as public recreation, scenic resources, game management, or preserving wildlife habitat. Classified land is valued by reducing the fair market value in accordance with a cumulative percentage reduction for which the land is eligible according to certain categories.

- Ordinary Open Space - 20% reduction
- Permanently Protected - 30% reduction
- Forever Wild - 20% reduction
- Public Access - 25% reduction

If the property met all of the above requirements, the owner would see a cumulative reduction of up to 95% on the classified land. If the classified parcel no longer meets the criteria of eligibility or the landowner withdraws from the program, a penalty will be assessed equal to: an amount between 20% and 30% of the difference between the open space value and fair market value depending on the amount of time in the program.

Property Tax Fairness Credit

Eligible Maine taxpayers may receive a portion of the property tax or rent paid during the tax year on the Maine individual income tax return whether they owe Maine income tax or not.

Who is eligible for the Property Tax Fairness Credit? Homeowners or renters who meet all of the following requirements:

1. Were Maine residents during any part of the tax year;
2. Owned or rented a home in Maine during any part of the tax year and lived in that home during the year as a primary residence;
3. Paid property tax or rent on the primary residence in Maine during the tax year;
4. Meet certain income and property tax and/or rent paid limitations during the tax year.
5. Are not married filing separately.

How does someone apply for the refundable credit? To claim the credit, file Form 1040ME and Schedule PTFC or Schedule PTFC/STFC for the tax year during which the property tax or rent was paid.

**** Important Notice about property taxes for buyers and sellers****

1. Under Maine law, payments of property taxes are the responsibility of the person who owns the property as of April 1st.
2. Both the buyer and seller may agree to divide the taxes between themselves, but if any part of the taxes are not paid, a lien will be filed in the name of the person who owned the property on April 1st.

Please be Aware

If you are the seller- Even if you no longer own the property, a lien may have a negative effect on your credit rating.

If you are the buyer- If a lien is filed in the sellers' name, The Municipality may still foreclose on your property for unpaid taxes.

May 1, 2026

Greetings from the Town Office!

For those of you I've not met yet, it's a pleasure to be working alongside the citizens of Sabattus. I come from the municipality of Mexico, where I've served on the Selectboard for nine years and have worked as their Election Warden for many of those years. While I may be a new Clerk, the workings of a municipality are not new to me!

Shortly after starting in Sabattus, I've been afforded opportunities to represent Sabattus on the Maine Town and City Clerks' Association Executive Board and have even flown to Washington D.C. to meet with Maine Congressional offices to talk about elections.

I look forward to meeting more of you in the near future. If you're ever looking for an opportunity to get involved with the Town, stop in and let's chat about opportunities that may be available – there's always a project or two going on!

Below are some statistics from my office.

WHAT TIME PERIOD DOES THE INFORMATION IN THE REPORT COVER?

The reports from the Departments in this Town Report give a snapshot in time, hoping to provide you with the most current data we can for various areas of Town operations.

In all cases, each report notes the related time period for specified figures.

We are required to report on the audited financials for the annual Town Report. The Town financials operate on a fiscal year (July 1 – June 30). Therefore, the most recent fiscal year we have audited figures for are FY25 (July 1, 2024 – June 30, 2024).

PRESERVE THIS ANNUAL REPORT

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters prior to the annual Town Meeting. Please remember to preserve your copy and bring it to the annual Town Meeting.
