

RECYCLING UPDATE

TOWN OF BROTHERTOWN RESIDENTS:

A new contract for recycling services was entered into with GFL, effective 10/01/2021. GFL will pick-up recycling carts left out on the Northern Route & Beach Roads on Friday, 10/01/2021. The Southern Route will be picked up on 10/19/2021 according to the normal schedule. New containers will not be distributed. Continue to use the carts already in your possession. The dumpster at the town hall will remain for the Southern Route residents to utilize for additional overflow of recycling items only.

Thank you all again for your cooperation and understanding!

~The Town Board of the Town of Brothertown
