INDEPENDENT AUDITOR'S REPORT

Board of Supervisors West Brandywine Township West Brandywine, Pennsylvania

We have audited the accompanying annual audit and financial report of West Brandywine Township, West Brandywine, Pennsylvania, Chester County, as of December 31, 2015 and for the year then ended.

Management's Responsibility for the Annual Audit and Financial Report

Management is responsible for the preparation of the annual audit and financial report in conformity with the accounting practices prescribed or permitted by the Department of Community and Economic Development ("DCED") of the Commonwealth of Pennsylvania. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the annual audit and financial report that it is free from material misstatement, whether due to error or fraud.

Auditor's Responsibility

Our responsibility is to express an opinion on the annual audit and financial report based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the annual audit and financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the annual audit and financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the annual audit and financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the annual audit and financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the annual audit and financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the annual audit and financial report referred to above presents fairly, in all material respects, the financial position of West Brandywine Township, West Brandywine, Pennsylvania, Chester County, as of December 31, 2015 and the results of its operations for the year then ended, in conformity with the accounting practices prescribed or permitted by DCED as described below.

Basis of Accounting

The annual audit and financial report is prepared in conformity with the accounting practices prescribed or permitted by the Department of Community and Economic Development ("DCED") of the Commonwealth of Pennsylvania, which practices differ from accounting principles generally accepted in the United States of America. In accordance with the prescribed accounting practices permitted by DCED, the annual audit and financial report is prepared on the cash basis of accounting. Consequently, revenues are recognized when received rather than when earned and expenditures are recognized when paid rather than when the liability is incurred. In addition, the Township does not include footnote disclosures. Our opinion is not modified with respect to this matter.

Restriction on Use

This report is intended solely for the information and use of the governing body and management of West Bradford Township, lending institutions and for filing with the Pennsylvania Department of Community and Economic Development and the Chester County Clerk of Courts; and is not intended to be and should not be used by anyone other than these specified parties.
