

# Senior Healthcare Consultants – SHC

On May 23, 2012, we received a complaint from one of our residents about a company called SHC with a phone number of (817) 632-3500. This company was calling every hour attempting to get the resident to allow a “healthcare consultant” to come out and go over their Medicare options. When our resident attempted to call them back, they would hang up on them.

After receiving this complaint, our police department did some research on the internet about the company. The phone number

comes back to:           National Underwriters Group  
                                  Southwest Loop 820  
                                  Fort Worth Tx. 76133

National Underwriters Group is now known as RJR Insurance Services Inc. and is the parent company of Senior Healthcare Consultants (SHC) and Lexicon Senior Healthcare (LSH). The following two websites belong to these companies:
