Alarm Permit Packet

Attached you will find the following four (4) forms for **Alarm Installation**:

- 1) Contractor's Insurance Verification
- 2) Emergency Notification Form
- 3) Alarm Installation Application Form
- 4) Waiver

1. Contractor's Insurance Verification must be given to the contractor who is installing your alarm. Any contractor doing business in West Brandywine Township is required to have a contractor's verification number issued. If they say they are registered to work in the Township they will have an insurance verification number issued by the Codes Department. For your safety, ask to see that card, and put that contractor's insurance verification number on your application next to their company name.

2. Emergency Notification Form is to provide the police department with a list of names and telephone numbers of people to contact in the event of a problem with your residence or business during alarm activation.

3. Alarm Installation Application Form is used to provide the police department with information on residents and businesses utilizing alarm systems in West Brandywine Township. Fees as specified on Permit Fee Schedule.

The requested information on both forms is basic and self-explanatory. This information is kept confidential and is used only in the event of an alarm or other emergency or problem with your residence/business; i.e. discovered break-in, fire, etc.

When the forms are completed in their entirety, please attach any applicable fees and return them either in person or by mail, to the address listed above. **West Brandywine Township does not accept electronic submission of permit applications.** If at any time there are deletions or additions to be made to the forms, please notify the police department so your information can be updated.

This request is made so that the police department can better serve you. Your cooperation in this matter will be appreciated.
