~ Community Thanksgiving Service and Supper ~ Sunday, November 24th 4:30

*The Tinmouth Community Church invites everyone to join them on Sunday, **November 24th, at 4:30 PM** to celebrate and be thankful for this community.*

This event was started many years with the help of the late Bob Whittingham. Community members give thanks, the poem Bob wrote for the very first one is read, local poet Marshall Squier reads a new poem, the bell ringers will play, there is music, words of wisdom, etc.

This is followed by delicious light supper for all. No charge. We are thankful for the opportunity to be together once again and celebrate this special place called Tinmouth. All are welcome. See page 7.

~ Please BE Safe – Wear a Safety Vest ~

If you walk, run/jog, bike, or hike, along town roads, **PLEASE** make sure you wear a safety vest so anyone driving along can see you. Day or Night!!

Sometimes you might be in the shadow of the trees and nearly invisible! Thank you for your cooperation!

~ Holiday Greetings ~

It's time for the **Twenty Third Annual Community Holiday Card**. For the past 22 years folks have made a donation to the *Roy & Anne Wilbur Fund* and sent their friends and family **Holiday Greetings** (*Merry Christmas, Happy Hanukkah, Happy Kwanza, Happy Festivus, Happy New Year – you choose*) in the December *Tales*. Think of how much you can save and how much your neighbors in need can be helped by your donation!

Please send your wishes and/or names and a donation of any size in care of *ye olde Editor* by **November 29th**.

Thank you for your continued support for the *Roy & Anne Wilbur Fund*!

~ Thanksgiving Baskets ~

The **Roy & Anne Wilbur Fund** is under the umbrella of the Tinmouth Community Church and helps folks with heat, lights, groceries, etc. It also helps provide **Thanksgiving** and **Christmas Baskets** to folks in town. Donations of non-perishable food and other items (soap, laundry detergent, shampoo, toilet paper, paper towels, etc.) can be left at the Town Office. Your generosity and help are greatly appreciated.

If you, or someone you know, needs a basket, please call Gail at 446-2498. If you have a bounty of potatoes or squash or onions, etc., from your garden, they are most welcome as well.

We hope that you can help us make this a successful fund raiser. At the beginning of November, Fire Fighters will be calling members of the community and ask each family would provide something specific for the Game Supper. Some of the items we need are homemade pies, chicken and biscuits, beans, green salad, cheese, milk, and cider.

We also ask other members of the community to purchase some of the materials needed to make Venison and Moose Sauerbraten, Cornbread Chili, De-boned roasts with secret marinades, Italian wild meatballs, smoked deer, bear, and other game.

Here is the schedule of activities. We invite everyone to participate in at least one of these activities. It is a great way to reconnect with members of the community and meet new people.

- Thursday (11/21) 6:00 pm ----->Meat cutting (at the Fire House). Bring your knife.
- Friday (11/22) 6:00 pm -----> Potato and squash peeling, onion chopping (at the Fire House). Bring your peeler and knife. Also, get to watch members of the fire department peel a squash with an axe.
- Friday night/Saturday morning----->Set Up (at the Community Center)
- Saturday (11/23) 8:00 am----->Meatball making (at the Fire House)
- Saturday afternoon/night----->Serving during the supper
- Saturday night after the supper----->Clean up!

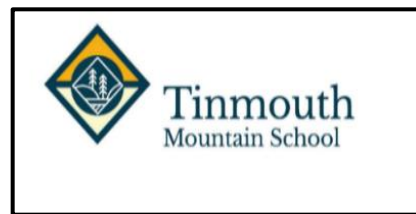

We have traditionally used landlines to communicate with the Tinmouth Community. If you would prefer to receive a text, email or cell phone call, please let Sherry Johnson know at one of the following 802-446-3307, vtsjohnson@icloud.com or text her at 315-823-7627.

If you have meat to donate, call or text Josh Allen at 802-353-1857.

As always, the Tinmouth Volunteer Fire Department appreciates your support so that we can provide help in times of need.

Marshall "Mo" Squier, TVFD Chief

**2nd half property taxes are due on
Friday, November 15th.
Town Office will be open 8-12 and 1-5 that day.**

As we enter the last month of Autumn, the students and teachers are grateful for the mild fall we have been experiencing; the colors have been vibrant, and the air has smelled especially lovely. I spoke last month about Halloween coming up, and by the time you read this, it will have passed in a festive blur. We are excited to have back Dillion Hepburn providing wagon rides for all and Mo Squier showcasing his cider press. New this year, we tried our hand at donuts on a string! Thank you to all who came out to watch our student parade and support our small community on one of the very festive days we celebrate.

Election Day is right around the corner. We are excited to bring back Student Council after a small hiatus. Our students interested in running will give speeches leading up to Election Day. On November 5th, while the town votes for the next President of the United States, we will vote for the Student Council leaders at Tinmouth Mountain School. Also, during the election, our 5th and 6th graders will continue the tradition of holding a bake sale, which will support our activities fund at TMS.

I want to try something new and introduce a staff member or two in each Tinmouth Mountain School update. This month, I would like to introduce you to Ms. Delaney Rohan. Ms. Rohan is our 3rd and 4th-grade teacher who, before coming to Vermont, taught in Buffalo, NY, and prior to that, she taught in rural Pennsylvania. Delaney has many hobbies, including mountain biking, rock climbing, and cooking. A couple of interesting facts about Delaney are that she loves coffee and really enjoys the Inkheart series.

As Thanksgiving nears with thoughts of family and gratitude, I will leave you with, "Showing gratitude is one of the simplest yet most powerful things humans can do for each other (Randy Pausch)."

Be well,

Jenn Galusha-Brothers

ON VETERANS DAY
REMEMBER THIS

...It is the veteran, not the preacher,
who has given us freedom of religion.

It is the veteran, not the reporter,
who has given us freedom of the press.

It is the veteran not the poet,
who has given us freedom of speech.
It is the veteran, not the campus organizer
who has given us freedom to assemble.

It is the veteran, not the lawyer,
who has given us the right to a fair trial.

It is the veteran, not the politician,
who has given us the right to vote.

It is the veteran, who salutes the Flag,
who serves under the Flag,
whose coffin is draped by the Flag.

~ Nature Notes ~

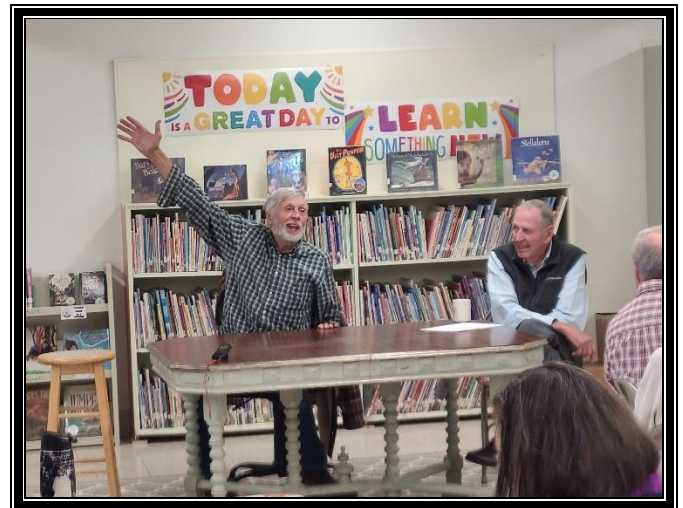

On November 15th, as ye old clerk was closing up shop after a long day of collecting taxes, she spied a marvelous site as she left the Town Office. It appeared that a cross was high atop Tinmouth Mountain, shining brightly. Upon closer inspection it was the cross that sits atop the Church's steeple (just happened to align with the mountain top). After getting in the car and heading home, it disappeared, so back to the office she went. There it was shining ever so clear. The Super Moon was just rising and its glow was being reflected by the cross that was placed there to honor Pete Gilmore, long time Tinmouth resident and farmer.

Time for a pause to remember . . . those who came before us and helped make Tinmouth a special place . . .

~ Helpful Items for Loan ~

Someone getting a new hip or knee? Or just needs some help getting around? The Town Office has walkers – two wheels and four wheels; crutches, a potty seat, a wheel chair, a shower seat, and a potty chair (commode) to loan. We even have a high chair if you have small company coming for a visit.

Please call 446-2498 to make arrangements.

John Squier, guest speaker, reminiscing about growing in Tinmouth, at the Tinmouth Historical & Genealogical Society's annual meeting.

On **November 3rd**, daylight savings time ended. Hope you remembered to set your clocks back one (1) hour when you went to bed on the 2nd.

And this is the perfect time to make sure your smoke and CO detectors are working by testing them!! **You should also change the batteries in these safety detectors.**

~ Meeting Highlights ~

Citizen's Input ~ Sherry and others thanked Eric for the blinking lights on the stop signs for the school zone.

Barbara (RRPC) spoke about the re-adoption of the Regional Plan. Phase I is done; Phase II will gather information on proposed draft policies generated from information gathered in Phase I. She encouraged everyone to participate in the latest survey. It was noted that only those with computers/phones that could scan the QR code could participate.

Highway ~

Board opened **Winter Salt Bids** ~ Cargill Salt bid \$87.27 for regular salt and \$98.75 for de-icer. Applachee Salt bid \$89.99 for regular salt and \$99.99 for de-icer. Board voted to accept the Cargill bid.

Eric reported line striping was done, grading and filling pot holes was on going, McCullough Tree Service will begin work on the Route 140 tree grant the first week of December.

He noted the **Tinmouth Cemetery Association** needed to remove a large damaged tree and had requested use of the Town's chipper and one ton - he added he would help with no pay. Board agreed.

West Tinmouth winter road maintenance was discussed, no word from the Town of Wells; there is someone who wants to bid; will consider hiring Glenn part-time.

Truck up-date – still working on RFP for bid – Eric received one from Freightliner in 24 hours, has been waiting since July for one from International – he needs time to compare and digest. Discussed other kinds of trucks, pros and cons. No decision made.

Doug Fontein requested permission to add another **basketball hoop**, pole and back board to the outdoor court near the school. After brief discussion, Board approved. (It's on the Town Green.)

Executive Session ~ Board moved into executive session to discuss personnel issues at 7:40 – exited at 7:51

– Board voted to invite Randy Clark from Allegiance Trucks to the next meeting to discuss a warranty issue.

Financial ~

Special Funds – Board reviewed end of year balances and purposes. Treasurer reported a new state law now requires any surplus from the general and/or highway budgets to be decided by voters.

Bills and Orders ~ Board voted to approve all.

Hydraulic Study ~ SBA advised that the study had been requested for the culvert on Route 140 near the community center, no time frame given.

Equity and Inclusion Committee ~ Melody as Chair of E & I, spoke for the Committee, provided a report of their purpose and mission, and what they have accomplished to date. They hope to have a multicultural dinner this winter sharing stories about the food and cultures.

Service Agencies Town Meeting Requests ~ Board discussed whether to separate them again this year, or spread it out over 3 years, or add back to the budget – decided to send a letter to all requesting information about how they provide a service/benefit to the Town. Added to the November agenda.

Prep for Informational Meeting on the 16th ~ Holly Ross, town moderator, will run the meeting, Melody will speak for the Board. Melody noted that she had spoken with an engineer from Otter Creek Engineering – who had done the work for the community center – no red flags, no comment on the swale at this time.

Members Concern ~ Judy advised she will contact someone from VTRANS regarding inspection of the large culvert on North End Road, Kevin will contact Randy Clark, and Judy will work on revising bid procedures to allow for electronic bids.

Select Board (SB) ~ 10/16/2024 ~ Special/Information

Select Board members present: Melody Squier, Kevin Eaton, and Judy Gilmore.

Others present: Holly Ross – Town Moderator, Gail Fallar-Select Board Assistant and 40 or so citizens in person and another half dozen via Zoom.

Holly called the meeting to order and advised that the meeting was called to provide information and answer questions regarding a proposed pavilion on the Town Green. She noted that anyone wishing to speak had to identify themselves and speak via a microphone.

There were many questions asked, Melody answered them and provided information and an overview packet.

Some voters spoke in support of the project, others expressed concern with the process and the project.

After everyone had a chance to speak, the informational portion was completed. Select Board members agreed by consensus that if the \$25,000 grant was received, the Select Board would be in charge of all decisions going

forward, if the \$25K was not received, the Board would start over with the Select Board included.

Planning Commission ~ 10/24/2024

Members present in-person: Michael Fallar, Larry Carabeau, Vito Macaluso, Ann Lundquist, Judy Gilmore, and Andy Gilmore - Members present via Zoom: Kim Harbaugh and Pat Psholka

Others: present in-person: Gail Fallar Secretary

And via Zoom: Sherry Johnson

Michael welcomed everyone and asked for a moment of silence to honor Bob Lloyd who recently passed. He served 26 years as a PC member and was a tremendous asset to Tinmouth's planning, zoning and mapping. He will be missed.

Gail advised that she had asked Bob for words of wisdom as this year's town report is going to be dedicated to him and this was his reply, *"Try very hard to maintain the values that have kept Tinmouth the special, working rural town that it has been for over two hundred years. If these values are lost, they will be gone forever."*

Enhanced Energy Plan (EEP) – Vito read his proposed disclaimer, advised that substantial deference is important to have so the EEP is needed. Members discussed pros and cons of obtaining EEP approval; in the end members agreed to move forward, and began review of the draft plan earlier sent by Jeremy from RRPC. He will assist in this process. Members are still concerned with data provided by the state, it seems it is just not representative of Tinmouth – though it would look like Tinmouth was meeting its goals when actual data is used at a future date.

Due to Bob's resignation, there are two vacancies – after brief discussion, Michael moved and Ann seconded that the PC recommend Judy Gilmore to the Select Board to be Tinmouth's representative to the Rutland Regional Planning Commission. All voted in favor. Regarding the vacancy on the PC, there are three people interested – Marshall Squier, Robbie Leeds, and Joe Buffum. They will be invited to the next PC meeting to discuss interest and possibilities.

Members decided to spend half of the November meeting reviewing the EEP draft and half reviewing the Town Plan. Mid-May is the target date to have both ready to begin adoption process, the PC has to have a hearing, and the Select Board also has to have a hearing before adoption – current plan expires in early September 2025.

Hay Ride next year's Halloween – possibility to keep in mind.

Kids Indoor sports at Community Center - Robbie will contact appropriate people at TMS as to what sports equipment that might be available for use. Pickleball and volleyball we know is available.

~ Tinmouth Recreation Committee Ice Rink News ~

A big hello to everyone. We hope you're all looking forward to winter as much as we are. We've got several recreation opportunities in the works for this coming winter, but we also want to let folks know we *won't* be able to set up the skating rink at the Tinmouth School this winter.

We do hope to be able to do it again in the future but there are some challenges that we're trying to work through before it can happen. The major issue is that the School septic leach field where the rink was located last winter is one of the only flat spots on the campus. Placing the rink there again could harm the leach field and of course, that's not a good option.

So, stay tuned and we'll keep you up to date as we try to find a good alternative that will work for the school and the community going forward.

Transfer Station Reminder/Request ~ If you are able, please squish, squash, stomp, or crumple all plastic. It takes up a lot of space when it's not flat – and the cost of hauling the container is way more than the cost of processing the material. If we can stuff more recyclables in it, we can haul it less and that will save the town money! And please remember you can put metal cans into the metal roll-off along with other metal items. There is no charge for that disposal.
