

TALES OF TINMOUTH

May 2025
Vol. 39 Number 4

Tinmouth
Vermont

Editors' Notes: *May showers bring??!?!? If you consider 2 or 3 inches of rain a shower!!*

The deadline for submissions (news, items of interest, get well wishes, ads, etc.) is the 20th of the preceding month. Please email your information to *Tales of Tinmouth* (tinmouthtales@vermontel.net) or drop it off at the Town Office.

Gail Fallar & Pat Psholka

~ Proposed Radio Tower Update ~

The public meeting will be Tuesday, June 10th at 7:00 at the Old Fire House. (Maybe) All are welcome.

Industrial Wireless Technologies, Inc., (IWT) is proposing a 160' tower + 13' of antenna, radio tower at 440 Route 140 (across from the cemetery). They have conducted their balloon float (a 3' red balloon was floated to the height of the proposed tower) and is now preparing simulations of what the tower would look like from various places photos were taken. Several folks drove around town taking photos as well.

At this meeting, IWT will present its plans, photos created from the balloon float simulations, and answer any questions. Your comments, questions and input are welcome. If you cannot attend the meeting in person or via zoom, you may submit comments to the Select Board and Planning Commission via email – tinmouthtown@vermontel.net or mail to 515 North End Road, Tinmouth, VT 05773.

~ Annual Tinmouth Plant Sale ~ May 10th – May 18th

The Famous Tinmouth Plant Sale is **Saturday May 10 through Sunday May 18th**, daily 10-7 at Squier Family Farmstand on McNamara Road. There are many varieties of perennial plants, re-stocked as needed. Over 2800 pots were filled this year.

Thank you to the many volunteers who make this event happen. Please stop by the farm stand to check it out.

Proceeds benefit the Tinmouth Community Fund.

~ Front Porch Forum ~ Connect with your Tinmouth Neighbors

Have you checked out Front Porch Forum yet? To sign up, go to <http://FrontPorchForum.com>. Or stop by the town office to sign up!! 200+ households have signed to date! Good way to discuss community issues, sell a canoe, give away a kitten, etc. If you are a second home owner you can use your 911 address.

~ Tinmouth Community Fund

Annual Meeting and Awards Night May 29th ~

By Todd Dennis

Please join the Tinmouth Community Fund on **Thursday May 29 from 6:30 -7:30 at the Old Firehouse** to celebrate grant and scholarship recipients!

The Tinmouth Community Fund is excited to award grants and scholarships to Tinmouth citizens and groups. We will be awarding 37 grants/scholarships totaling more than \$24,000. *Please join us to celebrate these awards at the Old Firehouse on Thursday May 29 at 6:30.*

There will also be delicious homemade refreshments and cookies.

Mark your calendars and we hope to see you there. Info at tinmouthcommunityfund@gmail.com or Todd at 715-533-2887.

~ Amphibian Crossing Alert ~

Hopefully you have noticed the brightly-colored amphibian crossing signs on the roadsides in Tinmouth. These are placed by the Tinmouth Conservation Commission in areas where there are known migration routes for salamanders, frogs and turtles. These animals move on a seasonal basis to their breeding and egg-laying sites and are at risk of being killed by car traffic where their paths cross roads.

Please slow down and avoid hitting animals when you see these signs on the roads. There are especially high numbers of amphibians moving on rainy spring nights, so pay extra attention in those conditions. If you'd like to know more about amphibian migration, go to www.vtherpatlas.org. Please do not hit, move or disturb our signs, many of which are hand-made, and please contact me if you see a sign that's damaged or moved. The signs will be removed around July 1 and stored until next year.

Thank you,

Tinmouth Conservation Commission

~ Vacancies – Positions Still Open ~

There are openings on the **Equity and Inclusion Committee**, the **Old Creamery Committee**, and the **Recreation Committee**.

A new **Health Officer** and **Deputy Health Officer** are also needed (these are nominated by the Select Board and officially appointed by the Vermont Department of Health).

If you are interested in serving on any of these, or need more information about the duties of these committees, please call the Town Office at 802-446-2498.

~ May ~

The mad dash to the finish line is upon us. Students are working their way through their academic standards, and teachers are working hard to ensure that each student has what they need to be successful in their transition to the next grade. I have always found this time of year particularly hard. The weather is more inviting, our end-of-year activities are just around the corner, and the anticipation of summer break is building. It is time we hunker down, dig a little deeper, and encourage a little more. The best way to power through this time of change is to maintain routines both inside and outside of school for as long as possible, allowing us to appreciate the finish line that much more.

This year, we have seven students graduating on June 5th at 6:00 p.m. from Tinmouth Mountain School: Valkyrie Dana, Brayden Hepburn, Benjamin Fallar, Sawyer Lepley, Arielle Merrill, Emma Robbins, and Bentley Woodsum. Recently, during my math class with them, they asked if they could go on a 6th-grade trip, one last hoorah; they knew they had already had their overnight in Maine, so I asked what they would like to do. I was surprised by their answer, Queechee, they wanted to go explore the Queechee/Woodstock area. I loved the idea, and from there, I encouraged them to plan the trip. They decided we would visit VINS, hike down the gorge, have lunch at the Skinny Pancake, and, if time allowed, take in the shops of Woodstock. I am very proud of these seven students and their ability to plan a very reasonable and adventurous trip.

Recently, when I polled our students about what they loved about TMS they responded with: all the special events, our outdoor classrooms, fun things we do with people outside of our school, the smallness of it all, and how kind everyone is, to name a few. We heard them, and looking forward to next year, the staff and I are looking for ways to get outdoors with the support of our community, which combines what the students love about TMS. If you have a talent, such as plant ID, animal tracking, hiking, snowshoeing, compass navigation, or other skills, and would like to teach or demonstrate your expertise in our school, please reach out. We would love to have you.

Lastly, I would like to introduce you to **Lisa Edge**. I can guarantee many of you know Ms. Edge, but for those of you who do not, she is our fabulous Wee Folk (PreK)

teacher. Ms. Edge embraces the TMS value of outdoor education wholeheartedly. We have some of the hardest Pre-Kers around. Ms. Edge lives in Wallingford with her dog, Sundance, and two cats, Willie and Blackjack. Ms. Edge's children, whom many of you may remember, are now grown. Jonah lives in Burlington, and Cyd is currently traveling in South America with an immersion program. TMS is fortunate to have Lisa Edge leading and educating our youngest students.

Until next month, I hope you enjoy the beautiful weather and the longer days.

Jenn Galusha-Brothers
Principal
Tinmouth Mountain School

"If a child can't learn the way we teach, maybe we should teach the way they learn." Ignacio Estrada

~ TINMOUTH GREEN UP ~
~ 2025 ~

Green Up Day was Saturday, May 3rd

Thank you to the Tinmouth Green Up Committee and the Conservation Commission for their efforts to clean up Tinmouth roadsides. 35 volunteers collected 100 bags of trash!!

If you would like to pick-up trash during the year, there are green-up bags available at the Town Office. These can be taken to the transfer station anytime, there is no charge. Thank you for helping all year long.

Old Fire House Spring 2025 Concerts
By Cindy Pollock

Patty K performing at the Old Firehouse
May 23 @ 7:30 pm - 9:00 pm

Patty Keough grew up in a small factory town in Massachusetts. She tripped onto the stage and never looked back. She writes original songs that will have you crying – tears of laughter or shared sorrows. She now lives off-grid in Vermont with farmer friends, plenty of wine and a whole lot of cats.

Patty K will be performing on stage at the Old Firehouse. Doors open at 7:00, concerts at 7:30 pm. Refreshments will be served.

The suggested donation is \$20 per person. 90% of donations go the musicians, 10% to building upkeep.

We hope you'll join us!

Follow the [Tinmouth Old Firehouse on Facebook](#) for updates on events in town!

~ **Family Heritage Food and Stories Potluck** ~

By Cindy Pollock

On March 22, neighbors and friends gathered to share food and stories at the Tinmouth Community Center. The idea was to bring a meal and share a story about where the dish originated and why it was special to you. Among the countries represented were Germany, Greece, Italy, Scotland, Morocco, and British Columbia. US states included Ohio, Pennsylvania, Washington, Idaho, and Massachusetts.

Melody Squier cooked a number of dishes, including a panzenella salad (from her and Marshall's travels in Italy) and Greek pizza from her family's homeschooling days. In memory of her mother and grandmothers, she also baked wacky cake cupcakes that were popular during a period of egg shortages.

Betti Jaquay baked the official cookie of Nanaimo BC, which were rich and sweet. "It's not exactly health food, but the person who gave me the recipe lived to be 105," said Betti.

Helen Mango brought her special Greek marinated fish passed down from her father's Greek father and his Russian wife. Tracy Byford brought an Italian corn pudding passed down from Chuck's Great Aunt Josephine. It was a childhood favorite of Chuck's and was included in the recipe box they inherited from his mother.

Chris Carabeau shared Shirley Clark's carrot cake. Turns out Shirley, an ICU colleague, had stored freshly baked carrot cake in the hospital staff refrigerator to take to a potluck. Unfortunately for Shirley, her colleagues raided the fridge and ate her entire cake. It took Chris a few months to gather her courage to ask Shirley for the recipe but she's glad she did because she's since baked the cake for many family weddings.

Rainbow Squier brought brownie oranges and Elizabeth Cooper from Middletown Springs baked her famous brownies. Doug Fontein and Cathy Reynolds shared Grandma Jo's hamburger hash, a favorite family comfort meal. Robbie Leeds brought popovers for the gathering and described how he likes to bake them early in the morning for family before he leaves for work.

Logan Birdsall brought her grandmother's famous potato bake. When her grandmother developed dementia, cousin Molly made the potato bake and brought it to every single family dinner thereafter. Logan brought a hand towel she designed displaying the recipe that memorializes this dish and the women behind it.

This is just a taste of the evening as there were too many stories and recipes to include here! Thanks to the Equity and Inclusion Committee for hosting the event.

~ **Library News** ~

By Ruth Drachman, Librarian

SUMMER STORY HOURS

AT THE TINMOUTH LIBRARY

WITH MICHAEL DRACHMAN

WEDNESDAYS AT 11AM

BEGINNING JUNE 25TH

ALL AGES WELCOME

We have lots of new books. Come and see! We are there to help you on Thursday afternoons 2:30-4:30.

~ **Community News** ~

Get Well Wishes are sent to Marshall (Mo) Squier.

~ **Community Food Shelf** ~

A BIG Thank You to The Church of Jesus Christ of Latter Day Saints for helping re-stock the food shelf at the Town Office. (And to Julie Sharon, Wallingford Town Clerk and Hollis Squier, pick-up agent, for their assistance.)

The Church had a tractor trailer full of non-perishables that they distributed to Rutland County Food Pantries and Food Shelves.

Speaking of the Food Shelf, it is over flowing, so if you or someone you know can use a box full of non-perishable food stuffs, please stop by the Town Office, or give a call to 802-446-2498. We would like to pass this food along to be eaten/used!!

The **Share the Bounty bin** is back on the Town Office Porch. If you have extra produce, fruits, veggies, etc., you are most welcome to bring it to pass along to others who do not have a garden. Thank you for sharing!!

**Friends of the Rutland Free Library

~ Meeting Highlights ~

*Complete minutes are available at the town office.
All highlights are edited by Ye Olde Editor.*

Select Board (SB) ~ 4/10/2025

Members present (in-person): Kevin Eaton, Judy Gilmore, and Melody Squier

Others present:

In-person: Eric Buffum – Road Commissioner, Ray Pratt – Emergency Management Director, Larry Carabeau, Doug Fontein, and Gail Fallar-Select Board Assistant (SBA)

Via Zoom and phone: Sherry Johnson, Kim Harbaugh, and Rick Fallar

Citizen's Input ~ None

Highway ~

Eric reported the road crew is busy cutting brush and filling pot holes. He advised that the driveway at **282 Mountain View** needs a **culvert replacement**, but the culvert is outside the Town's right of way by about 17 feet. Estimated cost is \$2,130 for a 30" culvert, a small stream passes through it on its way to a larger culvert under Mountain View Road, though there have been times when the water runs over the driveway. Board requested more information.

Eric also reported he had ordered more **winter salt**, inquired whether to fill the salt shed before the end of the year (June 30th), no decision was made. He also discussed **crack sealing**. Board agreed by consensus to rent the crack sealer for a month and order the rubber for it to get that work done in May – while the weather is cooler.

Paving Bid Request – Board reviewed draft, edited it a bit, added milling old pavement off the bridge near the Jaquay's, agreed by consensus to have it sent to three paving companies.

Peterbilt Truck – Final contract totaled \$177,181 due to addition of more features (approved as \$174,100 last month) – Kevin and Eric signed the contract to get it ordered on time. Board voted to accept the action and changes.

Equipment Fund – Treasurer noted that the Equipment Fund would be depleted by the purchase of this truck (keeping the old one as a spare). Board agreed to discussion of equipment replacement and funding at a future meeting. Eric suggested charging equipment use time to be paid to the Equipment Fund – savings from changing West Tinmouth winter maintenance and roadside mowing. Board took under advisement. Set a special meeting for May 13th to start that discussion.

Rutland Regional Planning Commission requested to meet with the Board to discuss Act 181 – changes to Vermont's planning laws. Board set date of **5:00 on May 8th**, their next regular meeting.

Ray, as **EMD**, advised that emergency management has grown in its responsibilities. He reviewed the **Mutual**

Aide Agreement with other county towns through the RRPC. After discussion and an edit or two, Board voted to approve and authorized Kevin to sign. He then reviewed the annual **LEMP** (Local Emergency Management Plan) with the Board, several additions and corrections were made. Board voted to approve as corrected, Kevin signed. Ray also advised that there will be a training event (big storm) in the fall and that Tinmouth will participate.

Proposed Radio Tower on Route 140 ~ Board reviewed draft letter to IWT requesting a balloon test at the proposed site and a public meeting, agreed by consensus and all signed.

Financial ~

Bills and Orders ~ Board reviewed financial reports and warrants. Board voted to approve and accept all.

Pavilion Update ~ Melody advised that the frame will be arriving on August 1st. Kevin had been given authority to negotiate up to \$40,000 – the Pavilion Project did that in the end with David Hooke from TimberHomeVT – \$40K was offered, end cost of the frame ended up at \$38K. Kevin, Melody, Cathy Reynolds, Doug Fontein and Gail Fallar zoomed into the Marshfield Select Board meeting to complete the deal. Contract will be sent around for all to sign. Melody requested authorization to sign agreements/contracts for the remaining contractor work to raise the structure. After discussion, Board voted to grant that authorization. Doug advised that David Hooke from TimberHomeVT is very thorough.

Traffic Ordinance ~ Gail advised that she had not properly warned the adoption of the ordinance and asked the Board to re-adopt so that the option for voters to petition for a vote was made public. Board voted to re-adopt the Traffic Ordinance.

Kevin advised that the **Speed Limit Committee** had done its job and was no longer needed. Board voted to disband it.

Website Committee ~ Judy advised that the Committee voted to ask the Select Board to increase the size of the committee to 7 members and to appoint Cathy Reynolds as a member. Board agreed by consensus.

Forest Fire Warden ~ Board voted to re-appoint Glenn D. Merrill as Forest Fire Warden.

Board reviewed **Annual Appointments** – see attached – and appointed those willing to serve, thanked those who stepped down.

Grant Policy ~ Board agreed to the amendment with edit of taking out the \$1,200 limit. All voted in favor of the amendment and signed the new Policy.

Town Office Closing ~ Gail, as Clerk, advised that the Town Office would be closed from April 25 until May 4th.

Larry noted that the crack sealing really helped maintain paved roads.

Planning Commission ~ 04/17/25

Members present in-person: Michael Fallar, Judy Gilmore, Joe Buffum, and Larry Carabeau. Members present via Zoom: Ann Lundquist, Kim Harbaugh, and Pat Psholka

Others: present in-person: Ken Krantz and Gail Fallar Secretary. And via Zoom: Sherry Johnson, Melody Squier, Nelson and Betti Jaquay.

Members reviewed draft EEE (Enhanced Energy Plan) rewrites submitted by Judy.

#1 EEP Suggestions - Members suggested adding a bullet to include up front cost of EV's – and another regarding EV wear and tear on roads and bridges and lack of financial support for that from EV's (they don't pay gas tax). All thanked Judy for her work. Members voted to accept the document as edited.

#2 Traditional Energy Saving Methods - Members decided to add rain barrels to efforts that could save energy. Members voted to approve as edited.

Members discussed photos for the town plan update – include the water wheel on Wright's Road, Andy's photo of the valley from the mountain top, and a dandelion photo in the recent Rutland Region Magazine (if possible to get permission).

Town Website – Judy inquired about posting the Town Plan's Objectives there, all agreed by consensus.

Members were advised that the Rutland Regional Planning Commission would be meeting with the Select Board on May 8th at 5:00 to discuss the progress of the update of the regional plan and effects of Act 181 on land use planning. All were encouraged to attend.

Ken inquired about the tower process. Gail advised the proposed tower meeting had been changed to mid-May as the balloon float had not yet happened – that is scheduled for Monday April 21st. She noted unofficially, the tower location may move out of the Protection Zone.

Conservation Commission ~ 4/14/25

Minutes not yet available at press time.

Tinmouth Community Fund ~ 4/30/25

Minutes not yet available at press time.

**~ Workday at the Old Creamery ~
Saturday, May 17th**

The Tinmouth Historical and Genealogical Society (THGS) is going to hold a work day at the Old Creamery building (next to the Town Office) on **Saturday, May 17th beginning at 2:00** in the afternoon. Work will include replacing window panes, frames, some painting, some cleaning, etc. A couple of hours.

For those who would rather sort papers and photos, Stan Wilbur will be working in the Town Office on those.

All are welcome, refreshments will be provided.
