

TALES OF TINMOUTH

August 2026
Vol. 40 Number 7

Tinmouth
Vermont

Editors' Notes: *Lazy, hazy, crazy days of summer . . . sorry Tales is late once again . . .*

The deadline for submissions (news, items of interest, get well wishes, ads, etc.) is the 20th of the preceding month. Please email your information to *Tales of Tinmouth* (tinmouthtales@vermontel.net).

~ New Updated Town Website ~

Have you noticed? The Website Committee is proud to present a completely new website at tinmouthvt.gov. Some of the old features are still there, like the calendar and meeting minutes (new format!) along with lots of new information.

You can 'subscribe' to receive notices of news and meetings, follow the directions on the site to sign up.

If you see anything amiss, please email tinmouthwebsitecommittee@gmail.com.

~ State Primary Election August 11th ~

97 voters cast ballots, 26 were early/absentee – 30 voted Republican, 67 voted Democratic and 0 voted Progressive. There are currently 417 voters on the checklist. The Vermont State Primary is where major parties choose their candidates for the November General Election.

Thank you to election workers Ann Czar, Kevin Eaton, Judy Gilmore, Ken Krantz, Tess McGinley, Melody Squier, Kate Start, and Gene Usher.

~ Tax Bills ~

Education tax rates went down this year, the homestead rate was set by the State at \$1.0983, and the non-homestead rate at \$1.2004. Last year the rates were \$1.1435 and \$1.2331, respectively. The town tax rate increased a bit – to \$0.5584 with the local agreement rate at \$0.0047 – in 2025 they were \$0.5343 and \$0.0051 respectively.

~ Vacancies – Positions Still Open ~

There are **two** openings on the Conservation Commission. The CC meets every other month. You can contact Chair Ed Hasenhor, or members Doug Fontein, Doug Inkley, Robbie Leeds or Colleen Balch.

If you are interested in serving or need more information, please call the Town Office at 802-446-2498. Or check out the Conservation Commission on the new website.

Book Sale will continue at the Townwide Tag Sale!

TINMOUTH
LIBRARY

BOOK
SALE

SATURDAY
August 22nd

8:00 AM – 2:00 PM

Visit us next to the Town Office.

Find a selection of books for all ages!!!

~ Community Fun Day ~

A wonderful day! The parade included several 4-wheelers and side by side vehicles, fire trucks, a tractor, kids in the old horse-drawn wagon (with people power); a new flag pole with the US flag and the Vermont State flag (which once belonged to the late Grant Reynolds) was erected on the Town Green in front of the Church – with thanks to the Historical Society and Rob Noble; lots of water games for kids – thanks to the Fire Dept.; wonderful music by the Electrostatic Cats – Jonathan Czar and friend; the Library was open; there was a display of artifacts and history at the Old Fire House; all followed by a delicious pot luck supper.

Thank you to all who participated and joined in.

~ New Property Tax Due Date ~

Due to tax bills not being mailed until the end of July, the Select Board changed the 1st half payment due date to **August 31st**.

New Feature ~ *Tinmouth Memories*

(If you would like to share a Tinmouth memory, please send it via email to Ye Olde Editors. Thank you!)

~ *Measuring Up* ~

By Michael Drachman

We first arrived in Tinmouth in the summer of 1972. I was 9 years old. Much to my brother's and my delight we also discovered Tully's that summer. Tully's would later be renamed 'The Snack Bar', and even later, it would be renamed, yet again, to 'The Tinmouth Roadhouse'.

As we waited anxiously for our soft serve cones, I happened to notice that I could easily walk under the outdoor counters. I was shorter then, 54 years ago. The following summer, after dreaming all year about soft serve at Tully's, I discovered that, standing on tiptoe, I could touch the top of my head to the underside of the counter at Tully's. The following year, again waiting anxiously for soft serve, my head brushed the underneath of the Tully counters. I was growing taller! I realized that I could mark my growth by noticing my height, relative to the counter height at Tully's. Each year, thereafter, I noted how tall I was as compared to the height of the outdoor counters on the front side of Tully's.

It is curious to think that this was the way I noticed that I was growing. Not by my actual measured height, documented at my pediatrician's office each year, nor by the new clothes my mom found herself buying for me as I outgrew my old ones. I also ignored other common markers of growth, in favor of the Tully's system. It seemed not to matter that I was successfully progressing through school, adding one to my grade level each year. It was of no consequence that I could read ever more complicated text, my vocabulary evolving, my comprehension becoming more astute.

Additionally, my brother and I were no longer simply taking walks with dad in the woods. We were now accomplishing goals. We hiked to Little Rock Pond, and to Griffith Lake. We summited Tinmouth Mountain, Baker Peak, Dorset Peak, Shrewsbury Peak, Pico Peak, and then, later, both Pico and Killington in the same day. In school, words became sentences, and then paragraphs. Paragraphs grew to essays. Simple essays became personal memoir, or opinion pieces, or persuasive arguments.

Academically, socially, physically, I was growing. None of these other markers, however, seemed to carry the importance, to me, that measuring my height did against those outdoor counters.

At Tully's, for the first time in my life, I had measured my progress, my unavoidable, scary, determined, and thrilling progress toward growing up. I was on my way, and I had discovered proof.

Please Recycle or Pass Along Tales!!

Rutland Free Library

Rutland Free Library

By Randal Smathers, Dir.

Happy reading!

A few quick reminders:

Rutland Free Library has partnered with Come Alive Outside, and RFL cardholders can borrow any of Come Alive's extensive collection of outdoor gear at no charge! There's camping gear, fishing, a bike repair kit, Adirondack chairs ... definitely worth a look at <https://comealiveoutside.myturn.com/library/>. Combine that with our popular Park & Museum pass program that lets you borrow passes for free or reduced admission to a huge variety of parks, museums, galleries, and historic sites around the state and beyond, and you're set for fall adventures.

Coming Attractions

The Library is hosting a couple of exciting events in September:

For any knitters in the crowd, we are hosting Hannah Miller. Hannah has been visiting and knitting at every library in the state. Rutland will be her final stop. On Saturday, Sept. 19, it's drop-in knitting (free Jones' donuts) from noon to 3 PM. At 3, Hannah will give a talk about what she's learned in two-plus years of friendly knit-ins, then at 4 PM we'll get a group picture, have a little celebration and undoubtedly shed a tear or two. And on Wednesday, Sept. 19, we're hosting a screening of an important film.

The Librarians is a 2025 American documentary. It follows librarians in Texas, Florida, and other states, as they unite to combat book banning in the United States. Rutland Free Library is hosting a free screening at The Paramount Theater ahead of Banned Books week 2026 (Oct. 4-10). The film will be followed by a panel discussion including former VT Teacher of the Year Karen McCalla from Mill River, author Jo Knowles from Authors Against Banned Books, and more.

Please join us in celebrating democracy, literacy, the First Amendment and the freedom to read. That's *The Librarians* at **7 PM on Wednesday, Sept. 23** at the Paramount Theater. **Free admission**; donations to the library are welcome but not required.

Note: All Tinmouth residents can get a FREE Library card at the Rutland Free Library!

~ Community News ~

Get Well Wishes are sent to **Chuck Bronk, Rod Start, and Chip Wright** (belatedly).

Heartfelt Sympathies are sent to friends and family of **Clayton Morris**, and to family and friends of **Cathy Ricketts**. And to **Jacquie Lockwood and family** for the loss of her father. They will all be missed.

**2026 Tinmouth Town
Wide Tag Sales
Saturday, Sept. 5th
9am-3pm**

By Sherry Johnson

Time to get out that “stuff” from spring cleaning! The 13th Annual Tinmouth Town Wide Tag Sales is nearly here, rain or shine!

September 5th, the Saturday of the Labor Day weekend. 9 am - 3 pm.

Once again, we have limited space in the town center for people who are not on the East Road/Mountain View Rd/Route 140 loop. It has been our experience people travel Mountain View Road and East Road. If you are “off the beaten path” so to speak and are a Tinmouth resident, we will have limited space available at the Old Fire House and the Old Creamery if you’d like to have a sale in town. Please sign up early if you would like one of those. We encourage you to join in the fun.

Don’t want to have a tag sale, but have stuff that is clean and too good to toss - items can be donated at the end of August to our charity tag sale that benefits the Tinmouth Volunteer Fire Department.

If you found something you would like to donate the Tinmouth Volunteer Fire Department, call or email me to make arrangements to drop them off. We can take small amounts of small items starting August 15th

Alternately, items can be brought to the Fire House between Noon and 6pm on September 4th. We would prefer large items to be brought on the 4th.

As always, we ask that items **NOT** be left at the Fire Station before then. It is a working station, and we never know when we will be toned out. These items can impede the ability of us responding to an emergency.

Sales location maps can be emailed by request or picked up at the Town Office a few days before the event. There will also be a list at the Fire House the day of the sale. More information will be forthcoming on Front Porch Forum. Although the “official time” is 9am to 3pm, this year we will mark on the tag sale list if your sale starts before 9am, is a two-day sale, or is an inside sale.

We will also have the lists on-line on the town’s website-tinmouthvt.org.

Questions? Call Sherry Johnson 446-3307.

If you’d like to sign up to have your tag sale placed on the map; please email your location to me vtsjohnson@icloud.com by August 23rd.

As always, the Tinmouth Volunteer Fire Department appreciates your support.

~ Front Porch Forum ~

Connect with your Tinmouth Neighbors

Have you checked out Front Porch Forum yet? To sign up, go to <http://FrontPorchForum.com>. Or stop by the town office to sign up!! 200+ households have signed to date! Good way to discuss community issues, sell a canoe, give away a kitten, etc. If you are a second home owner you can use your local 911 address.

**Friends of the Rutland Free Library
September Book Sale**

10 Court St., Rutland, VT 802-773-1860

**Friday, Sept 11 (10 - 4) and
Saturday, Sept. 12 (10-2)**

Public Always Welcome

Thousands of organized, gently used books, CDs, DVDs and puzzles for all ages.

Always a broad selection of rare and antique books. All purchases by donation only. Limit of two grocery bags per family. No book dealers.

Proceeds to support library programs and collections and designated library projects. www.rutlandfree.org

**~ Tinmouth Historical & Genealogical Society ~
250th Trivia Night at the Old Fire House**

More than a dozen folks gathered to play Vermont 250 Trivia with a representative from the Vermont Historical Society. Questions about Early Vermonters, Vermont Firsts, Vermont Place Names, 250th Potpourri, and Tinmouth History were asked and answered. It was such a fun night, THGS is considering hosting another event at their annual meeting in October, with Tinmouth history.

A fun way to learn about early days and people in town. as well as not so early, like how many dairy farms were there in the 1931 census? Answer – 46.

Today only the Gilmore Farm is milking dairy cows.

The photos below are by Patti Macaluso, taken on Town Fun Day. The base has four markers, 1761, 1776, 1777, and 1791. More details in next *Tales*!

~ Meeting Highlights ~

Complete minutes are available at the town office.

All highlights are edited by Ye Olde Editor.

Select Board (SB) ~ 07/06/26 (Special) “ATV”

Board members present: Judy Gilmore, Kevin Eaton, and Melody Squier

Others present: Darren Babin, Rodney Ewing, Gail Fallar-Select Board Assistant (SBA), and 30 others in person and 20 others via Zoom.

Kevin called the meeting to order, welcomed everyone and turned the meeting over to Darren and Rodney to explain the request from many Tinmouth people for permission for ATV and Side by Side vehicles to travel on town roads.

Darren reported the Tinmouth Trailblazers, the newly formed local ATV club, has 68 members. He reviewed the process to date, noting that riders and vehicles would have to be eligible to join VASA (Vermont Association of All-Terrain vehicles) – registered, insured, driver’s license, helmet, lights, and abide by VASA rules. The Club is willing to enforce the rules and regulations. They asked for a one-year pilot program to see how it goes.

Rodney reviewed the list of roads to allow ATV’s and Side by Sides. They are working with landowners who might be willing to allow a trail on their property to be able to stay off certain roads or sections of them. He asked for input for roads to be added or subtracted. He noted that there are between 50 and 80 towns that have ordinances allowing all-terrain vehicles.

Questions included:

The purpose? – To connect to trails in other towns / not just ride around town. One landowner would like to ride across town to visit other family property, not unlike farm equipment, e-bikes, which don’t require licenses or insurance. A side by side is about the size of a jeep.

The process? – There will be a vote at the general election in November advising the Select Board whether or not to adopt an ordinance – a special town meeting, with an informational meeting just prior to the vote.

Recreating with the vehicles on private property to public roads? – Can only ride on public roads, a private landowner has to give written permission.

Would Town Trails be included? – If the Select Board approves town trail travel, the Club will post signs to keep ‘wheelers’ off private property adjoining the trails.

What to do about ‘wheelers’ that are already riding on private property? – The Club will try to enforce the rules, and respect all landowners wishes.

How will the Ordinance be enforced? The County Sheriff is only in town 10 hours a week and is having trouble enforcing the speed limit now - this might slow wheelers down, they sometimes speed to keep from getting caught, some club members might be willing to

take a call to try to address a specific complaint. Budget for enforcement may need to increase.

Why does a private club get special treatment? – The Club is willing to self-police members, no incentive for riders from other towns to come here – no trails – nearly everyone in the room is from Tinmouth and are club members – are from here – have to be from Tinmouth to ride in Tinmouth. *(Editor’s Note: This has been found to be incorrect, the general public would be allowed to use the roads as well if they comply with state statute.)*

Where are riders going? – to visit neighbors, friends, hoping to develop a trail system – to stay off roads if possible.

Is there a copy of the proposed ordinance? – The Select Board was presented with a rough draft. More work will need to be done on it. Club hopes to have one available soon *(now available at the town office)*.

General discussion – these vehicles can cost \$30,000 (don’t want to wreck it), club members are mostly over 30 years old, many have jobs and can only ride on weekends, want to work on a trail system, appreciate civil and open discussion about the pros and cons, no fun riding on paved roads – want a way to get to trails in other towns, other towns that have adopted ordinances, members have to be from Tinmouth, time of day, time of year, noise – peace and quiet, Fun Day parade participation, etc.

Sheriff David Fox advised there were no issues in other towns that have ATV ordinances – issues are on private land, not public roads.

It was explained that Select Boards can adopt ordinances – voters cannot – but the Board would like input from voters – thus the ballot item at the November general election – Board advised they would support what the voters decided. Another informational meeting will be required. More work will be done by the Select Board and Club on the proposed ordinance so voters will have a draft to review prior to voting.

Of those in attendance, most were in favor, several others had questions and concerns.

Select Board (SB) ~ 07/09/26 (Regular)

Members present (in-person): Kevin Eaton, Judy Gilmore, and Melody Squier

Others present: In-person: Ronnie Crossman-Acting Road Commissioner, Ed Hasenohr-Chair of Conservation Commission (CC), and Gail Fallar-Select Board Assistant (SBA). And via Zoom – Sherry Johnson, Kim Harbaugh, and Rick Fallar

Ed, as CC Chair, requested approval to have the road crew install a culvert at the east end of the old town trail that travels from Merrill Spring Road east to Mountain View Road. It hasn’t been used in years, has recently been brush hogged and two stiles built to allow walkers/hikers to go up and over a fence that was placed there several years ago by a previous owner who had

livestock fenced in. Current owner paid for this work, and would like it to be a hiking trail only – no vehicles. There are separate trails (on private property) for 4-wheelers and snowmobilers. After discussion, the Board asked Ronnie to take a look to see what is needed for a culvert and report back. Board also discussed where a parking area might be located to allow access to the trail – as there might be a walking loop at some point in the future.

Citizen's Input ~ Sherry inquired whether the Select Board was going to allow input from others with regard to the ATV ordinance? Answer - yes. The Select Board will have final say over any ordinance and will ask for public input following the vote in November. May include a one-year trial period.

Highway ~

Ronnie noted that crack sealing is done, heavy rain and wind damage has been taken care of, roadside mowing first pass is nearly done - crazy drivers are raising traffic safety concerns. He noted that the Class 4 section of the Gulf Road was gully washed and needed some gravel, would like to close the road for a couple of days and have the excavator repair it, Board concurred, work should be done before Fall.

Peterbilt cab and chassis is now at Viking Industries in Williston, to get its dump body and plow frame, hoping to have it available to put in service this summer.

SBA advised still no word regarding the Small Safety Grant.

Winter maintenance for West Tinmouth roads, Board would like to discuss options for someone local taking care of them, will discuss again at August meeting. Also noted that the previous turnaround point and area to push snow, now has a house being built on that lot.

FY26 Financial Reports - Treasurer advised end of year work is still in progress.

Bills and Orders ~ Board reviewed warrants. Board voted to approve and accept. Payroll warrants FY26 #50, 51, 52, and 53, and FY27 PR #1 and Accounts Payable warrants FY26 # 41, 42, 43, and 44.

Old Business ~

County Sheriff's FY 27 Contract ~ Board voted to approve. Board briefly discussed having Sheriff handle animal control issues while deputies are on duty.

605 Mountain View Road – SBA still working on contacting the State Enforcement Officer to gather more information.

Board Appointment Guidance ~ Judy will tweak a bit, Board will review again in August.

New Business ~

Special Meeting – Board set July 23rd at 7:00 for a special meeting to set 2026 tax rates and determine language for November ATV vote.

ATV Special Election – Board authorized the SBA to contact attorney Gary Kupferer for guidance.

Appointments ~ Board voted to appoint David Levant to the Planning Commission and Nikki Pfeiffer to the Website Committee. PC recommended David and WC recommended Nikki.

Fire Warden ~ State has changed fire warden appointment and duties. The Fire Chief is now the fire warden. At the last TVFD meeting, Chief Marshall Squier appointed Glenn Merrill as the fire warden and Wheaton Squier as deputy warden (both were current appointees). These new regulations need review and discussion.

Executive Session – Board entered Executive Session to discuss personnel issues at 8:01, exited at 8:34. No action taken.

Select Board (SB) ~ 07/23/26 (Special)

Board members present (in-person): Kevin Eaton, Melody Squier, and Judy Gilmore

Others present: In-person: Gail Fallar-Select Board Assistant (SBA), and via Zoom Sherry Johnson, Kim Harbaugh and Darren Babin

After brief discussion, Board voted to set the 2026 town tax rate at \$0.5584 and the local agreement tax rate at \$0.0047 for a total of \$0.5631.

Board briefly discussed the wording for the special article for the November election regarding ATV/UTV's using town roads. Darren noted the draft ordinance included some roads, could address other roads with more discussion, agreed the ballot item is the best option.

Board voted to approve the following article to be included at the General Election on November 3rd. This will be done as a special town meeting, which includes an informational meeting 10 days prior to the vote. The vote will be advisory to the Select Board.

"Article 1. Shall the voters recommend that the Select Board adopt an ordinance to allow all-terrain vehicles and utility task vehicles on some Town roads and trails?"

Gail with her Lister hat on, requested the Select Board approve and sign a stipulation regarding telecommunication companies being able to appeal their new assessment directly to the Vermont Department of Taxes, PVR Division. State statute was changed requiring PVR to determine values for all telecommunication property, and that the local Board of Listers and Board of Civil Authority would not be a part of that. They were advised they would have to deny any appeals. The stipulation allows the companies to appeal directly to PVR. Board voted to approve and authorize Kevin to sign on behalf of the Board.

Treasurer reported that both the highway and general budgets were under budget, final reports still being worked on.

SBA reported the State had finally approved the Small Safety Grant, will send further details at a later date.

At 7:18, the Board entered **Executive Session** to discuss personnel issues. They exited at 8:18, no action taken. They will endeavor to work on an employee evaluation form.

The Board discussed conducting a community survey to gather input from town people regarding how town government is working and what could be improved, etc. Took under advisement to discuss at a future meeting.

Planning Commission ~ 7/16/26

Members present in-person: Michael Fallar, Vito Macaluso, Ann Lundquist, Judy Gilmore, Andy Gilmore, Larry Carabeau, and David Levant

Members present via Zoom: Kim Harbaugh, and Pat Psholka

Others: present in-person: Gail Fallar Secretary

And via Zoom: Sean Beatty (RRPC), and Sherry Johnson

Michael called the PC meeting to order and welcomed David Levant, new member.

EEP Update ~

Sean Beatty, Planner from the Rutland Regional Planning Commission, listened as members reviewed the latest version (7) of the Enhanced Energy Plan (EEP). He took notes for changes and final decisions. Members decided to keep the Scenic Resources in the regular portion of the Town Plan as well as having it listed in the EEP.

Sean will clean up changes and add information regarding the Regional Plan and its breakout of compatibility with all county town plans (required by statute). PC will review one last time in August and then proceed to other amendments for town plan. Sean will try to provide data for aging in place, scenic resources, telecommunications, and river corridors. Members thanked Sean for his efforts and work on the EEP.

David and Michael reported on the Zoning Board of Adjustment (both are members of the ZBA) meeting to discuss building in the Agriculture Overlay Zone/District. There is some frustration with current zoning regulations, some language is vague. Some folks want more protection for the ag land that the Ag Overlay encompasses, and would like the PC to review the map as some land in the overlay is no longer in ag production. PC will take a look at this once the town plan amendments are done.

Members will review a subdivision application at the next PC meeting – Lance and Jenny Somers on Mountain View Road want to create two lots.

Members considered request from the Website Committee regarding member information on the website – decided to have member names only, anyone wanting to contact the PC needs to contact the town office for more information.
