I agree to comply with all applicable codes, statutes and ordinances and with the condition of this permit; understand that the issuance of the permit creates no legal liability, express or implied, on the state or municipality; and certify that all the above information is accurate. If one acre or more of soil will be disturbed, I understand that this project is subject to ch. NR 151 regarding additional erosion control and stormwater management. If I am an owner applying for a construction permit, I have read the cautionary statement regarding contractor financial responsibility. I expressly grant the building inspector, or the inspector's authorized agent, permission to enter the premises for which this permit is sought at all reasonable hours and for any proper purpose to inspect the work which is being done.

I vouch that I am or will be an owner-occupant of this dwelling for which I am applying for a construction permit without a Dwelling Contractor Certification and read the cautionary statement regarding contractor responsibility.
