OF ALL RIGHTS TO APPEAL THE ASSESSMENT. (TITLE 36, MRSA 706-A)**

TITLE 36 M.R.S.A.

§601. Personal property; defined

Personal property for the purposes of taxation includes all tangible goods and chattels wheresoever they are and all vessels, at home or abroad.

**§706-A. Taxpayers to list property; notice; penalty; verification**

**1. Taxpayers to list property; inquiries.** Before making an assessment, the assessor or assessors, chief assessor of a primary assessing area or State Tax Assessor in the case of the unorganized territory may give seasonable notice in writing to all persons liable to taxation or qualifying for exemption pursuant to subchapter 4-C in the municipality, the primary assessing area or the unorganized territory to furnish to the assessor or assessors, chief assessor or State Tax Assessor true and perfect lists of all the property the taxpayer possessed on the first day of April of the same year and may at the time of the notice or thereafter require the taxpayer to answer in writing all proper inquiries as to the nature, situation and value of the taxpayer's property liable to be taxed in the State or subject to exemption pursuant to subchapter 4-C. The list and answers are not conclusive upon the assessor or assessors, chief assessor or State Tax Assessor.

As may be reasonably necessary to ascertain the value of property according to the income approach to value pursuant to the requirements of section 208-A or generally accepted assessing practices, these inquiries may seek information about income and expense, manufacturing or operational efficiencies, manufactured or generated sales price trends or other related information.

A taxpayer has 30 days from receipt of a request for a true and perfect list or of proper inquiries to respond to the request or inquiries. Upon written request to the assessor or assessors, chief assessor of a primary assessing area or State Tax Assessor in the case of the unorganized territory, a taxpayer is entitled to a 30-day extension to respond to the request for a true and perfect list or proper inquiries, and the assessor may at any time grant additional extensions upon written request. Information provided by the taxpayer in response to an inquiry that is proprietary information, and is clearly labeled by the taxpayer as proprietary and confidential information, is confidential and is not a public record for purposes of Title 1, chapter 13.

A notice to or inquiry of a taxpayer made under this section may be by mail directed to the last known address of the taxpayer or by any other method that provides reasonable notice to the taxpayer.

If notice is given by mail and the taxpayer does not furnish the list and answers to all proper inquiries, the taxpayer may not apply to the assessor or assessors, chief assessor of a primary assessing area or State Tax Assessor in the case of the unorganized territory for an abatement or appeal an application for abatement of those taxes unless the taxpayer furnishes the list and answers with the application and satisfies the assessing authority or authority to whom an appeal is made that the taxpayer was unable to furnish the list and answers in the time required. The list and answers are not conclusive upon the assessor or assessors, chief assessor or State Tax Assessor.

If the assessor or assessors, chief assessor of a primary assessing area or State Tax Assessor in the case of the unorganized territory fails to give notice by mail, the taxpayer is not prohibited from applying for an abatement; however, upon demand, the taxpayer shall furnish the list and answer in writing all proper inquiries as to the nature, situation and value of the taxpayer's property liable to be taxed in the State. A taxpayer's refusal or neglect to answer the inquiries bars an appeal, but the list and answers are not conclusive upon the assessor or assessors, chief assessor or State Tax Assessor.

The assessor or assessors, chief assessor of a primary assessing area or State Tax Assessor in the case of the unorganized territory may require the person furnishing the list and answers to all proper inquiries to subscribe under oath to the truth of the list and answers.
