RE: Monthly Newsletter

These are some exciting times here in the City of Hillsboro! It is extremely encouraging to see the dedication and ongoing efforts of the City Council, Commissions, and City Staff come to see completion in many of the projects and activities highlighted in this newsletter if anyone has any questions, please feel free to contact us at city hall (608)-489-2521.

Administrator Update: While it may not feel like it, fall is here, and winter is fast approaching. Thankfully our streets department is fast at work preparing for the winter and will soon be getting the plows set up. October means a busy month here at city hall with budget session underway. We will be submitting the budget for publication at the end of the month with an approval date scheduled for November 20th.

Police Spotlight: September was a busy month with 208 calls for service. While the temperature has not dropped yet, we all know that snow will be here before long, and we would like to remind everyone that the Common Council adopted City Ordinance #01-2023 which regulates the use of parking on city streets in winter events.
