RE: Monthly Newsletter

These are some exciting times here in the City of Hillsboro! It is extremely encouraging to see the dedication and ongoing efforts of the City Council, Commissions, and City Staff come to see completion in many of the projects and activities highlighted in this newsletter if anyone has any questions, please feel free to contact us at city hall (608)-489-2521.

Administrator Update: As I celebrate 1 year with the City of Hillsboro, I look back with fondness of the last year about everything we have accomplished and everything we are going to continue doing. I look forward to the next year!

Pool Update: We are still accepting Lifeguard applications- if you or anyone you know is interested in working with the City pool, contact City Hall for application instructions. We are in desperate need of guards, currently we do not have enough to open the pool, so if you're interested, please fill out the application form.

Police Spotlight: We started this month off with Officer Winch stepping into a temporary School Resource Officer role at the high school which we received a lot of positive feedback on. Officer Kucinsky is working on summer code enforcement and has been working with different residents regarding ongoing ordinance compliance. Chief Clark has been working on different grants for funding as well as working on obtaining equipment for our new squad car. Additionally, Officer Winch attended a School Safety/Active Shooter training in Oshkosh that was very beneficial. Lastly, our life jacket loaner kiosk was placed at the boat landing Memorial Day weekend and will be set up until Labor Day weekend.

Library Spotlight: Summer will see the start of our Summer Reading Program. Starting June 23rd you can attend the kick off event, Snake, Rattle, & Roll at 12:30 at Albert Field Memorial Park!

Hillsboro School District Spotlight: The school celebrated graduation recently- congratulations to all the 2022 graduates!
