RE: Monthly Newsletter

These are some exciting times here in the City of Hillsboro! It is extremely encouraging to see the dedication and ongoing efforts of the City Council, Commissions, and City Staff come to see completion in many of the projects and activities highlighted in this newsletter if anyone has any questions, please feel free to contact us at city hall (608)-489-2521.

Administrator Update: City hall underwent some much-needed security upgrades over the last month. We are excited to continue making upgrades to City Hall sporadically. February was a busy month with city staff working on several federal grants in hopes of gaining funds for certain community projects. We should hear the results sometime before summer.

Pool Update: We are hiring! If you know of anyone interested in working at the City Pool during the 2023 season, please have them contact City Hall at 608-489-2521 or stop in to fill out an application.

Police Spotlight: We are hiring a new officer! We are taking applications on an ongoing basis and if you would like to come work in a great small town police environment, please contact Chief Clark at PClark@hillsborowi.com. Our first round of interviews will be conducted sometime in the month of March.
