RE: Monthly Newsletter

These are some exciting times here in the City of Hillsboro! It is extremely encouraging to see the dedication and ongoing efforts of the City Council, Commissions, and City Staff come to see completion in many of the projects and activities highlighted in this newsletter if anyone has any questions, please feel free to contact us at city hall (608)-489-2521.

Administrator Update: It's crazy to think how fast 2024 is flying. Summer is here and now is a great time to sign up for pool passes. We have had some technical difficulties with getting the pool ready, but we intend to have the pool in operation for the start of swimming lessons. If something were to change, we would make an announcement. Over the next month and a half, the city will begin the initial assessment of the 2024 budget and start preparing for the 2025 budget process. Lastly, we are in the process of switching and updating our website. Over the next week, we will have moments where the website may not be accessible. We intend to keep the disruption to a minimum but as everyone knows, technology has a mind of its own. If you have any questions while the website is down, please contact City Hall. Thank you for your understanding.

Road Construction Update: Road repairs will begin the week of June 10th on Washington Ave. (the full road starting at the corner of Mechanic St.), Prairie Ave. (Mill St. to Mechanic St.) and Pine Ave. (Mill St. to Mechanic St.). Construction is expected to last two weeks depending on weather conditions. Please avoid these areas during the process if possible. If you reside in any of those locations, you will have access to your property, but please note that there may be brief moments for no access.

Police Spotlight: For the month of May, the Hillsboro Police Department handled 137 calls for service. The month of June has a lot in store for HPD – Officer Brandon Kiel is set to graduate from Western Technical College's 720 Hour Law Enforcement Academy on June 7th! Starting on June 10th, Officer Brandon Kiel will begin his full-time duties

with the Hillsboro Police Department, which include rigorous Field Training under the supervision of Chief Clark and Sergeant Kucinsky. If you see Officer Kiel out and about, make sure to stop and say hello!
