**RE:** Monthly Newsletter

These are some exciting times here in the City of Hillsboro! It is extremely encouraging to see the dedication and ongoing efforts of the City Council, Commissions, and City Staff come to see completion in many of the projects and activities highlighted in this newsletter if anyone has any questions, please feel free to contact us at city hall (608)-489-2521.

**Administrator Update:** Happy New Year! 2024 was quite a year for Hillsboro and we had a lot of success in economic development and beginning some much-needed cleanup on the city's employee handbook and a few other policies and procedures. There are lot of great projects in the works for 2025 from accessible housing, childcare, parks upgrades and so much more and I am excited to see what this year has in store! Lastly, while it is only January, it will be spring before we know it! We are always recruiting new lifeguards for the city pool, if interested, swing by City Hall or go online for more information!

**Police Spotlight:** For the month of December, the Hillsboro Police Department handled over 270 calls for service. Please remember that the city has changed the on-street parking ordinance during the winter months of November through April. You are allowed to park on any side of street except when notified of a snow event which dictates there is no allowable on street parking to allow street crews the ability to safely and quickly remove snow. To be aware of those snow events, please sign up for a text or email alert on the homepage of our website under News and Notices or click the link below:
