

The City Street Department collects brush every other Thursday starting in May.

- This service is for the use of residents only.
- The City is not responsible for cleaning up after commercial tree removal services.
- Please pile brush on top of the curb with the "cut ends" all laying in the same direction.
- Please do not pile brush or debris in the street.
- Brush piles must be free of nails, metal & debris.
- No treated, stained, painted wood or construction material will be picked up
