APPENDIX B

ltura	l, Natural, & Cultural Resources Goals & Actions	Short Term (<5 years)	Long Te (5+ yea
	ve productive agricultural lands in balance with development of the Village.		. ,
Α	Consider existing land uses in the planning area when deciding on annexation and development decisions.	Ong	oing
В	Promote infill development spaces through the Village website and local realtors.	Ong	oing
	and all the state to the settle than and the set	_	
eser	ve and celebrate Cultural Heritage and Arts.		
	Conduct a comprehensive architectural and historical intensive survey of significant sites,		
С	buildings, and landmarks within the Village. Engage with local historians, cultural experts, and	Х	
	community members to identify these assets and their cultural significance.		
	Promote the historic preservation program that outlines the role of the Historic Preservation		
D	Commission and the local historic designation process. Guidelines and standards for the	x	
	preservation and restoration of cultural assets should be created. This program should include		
	architectural guidelines, conservation techniques, and methods for maintaining the historical		
	Encourage local artists to contribute to public art projects that reflect the community's cultural		
Е	identity. Continue to provide opportunities for artists to showcase their work in public spaces	Ongoing	
-	and collaborate with them to create art installations that celebrate the Village's cultural		- 0
	heritage.

Inter	govern	mental Cooperation Goals & Actions	Short Term (<5 years)	Long Term (5+ years)
E	Enhance coordination and collaboration with local, regional and statewide governmental organizations to promote Village interests.		(3. years)	
	А	Schedule a working session with the School District, involving elected officials and key staff for both the Village and the School District, no less than annually to discuss issues of concern and opportunities for collaboration.	Ong	oing
	В	Village staff will meet with representatives from each adjacent jurisdiction during the annual process to update the Village's Capital Improvement Plan and to coordinate projects as appropriate.	Ong	oing
	С	Coordinate with all adjoining jurisdictions during outdoor recreation planning to see complementary recreation investments where service areas overlap and work to avoid duplication of unique amenities.	Ong	oing
	D	Pursue a cooperative agreement with the Town of Christiana to establish clarity about future land use and boundaries.	х	
	E	Explore cooperation with the Village of Rockdale to accept wastewater from Rockdale for treatment in Cambridge.	x	

Ecc	nom	nic D	evelopment Goals & Actions	Short Term (<5 years)	Long Term (5+ years)
Promote the Growth		mot	e the Growth and Success of Businesses in Cambridge.		
		Α	Determine if there are barriers in the process to establish a new business. Simplify and expedite the permitting and licensing processes for businesses, reducing hurdles and delays. Implement an efficient online system that allows businesses to easily apply for permits and licenses, ensuring a streamlined and user-friendly experience.	х	
		В	Facilitate partnerships between local businesses and the government to leverage resources and expertise. Collaborate with businesses to identify opportunities for joint initiatives, such as infrastructure development, marketing campaigns, or community programs, that benefit both the business community and the Village as a whole.	Ong	oing
	Ma	inta	in and Enhance the Historic Downtown Main Street.		
		С	Target and market entrepreneurs who plan to start-up or expand retail or personal service businesses. Collaborate with area businesses for outreach and marketing opportunities.	Ong	oing
		D	Utilize the Economic Development Committee help identify local and regional funding sources and offer grants or loans in support of business investment, as feasible.	Ong	oing
		Е	Develop a coordinated streetscape plan to enhance the aesthetic appeal of the corridor.	Х	
		F	Explore creation of a program to promote the use of any vacant storefronts by facilitating graphic displays or pop-up, short-term small business use. Seek support from local banks and foundations for this initiative.	Х	

sing	g Go	als & Actions	Short Term (<5 years)	Long Te (5+ year
		and Attract Residents by Supporting a Range of Housing Options.		
	Α	Review and update zoning and land use regulations to accommodate a range of housing options, including accessory dwelling units (ADU). Allow for increased density, where appropriate, to encourage the development of multifamily housing and mixed-income developments.	x	
	В	Commission a housing study to determine future housing needs and capacity.	x	
	С	Collaborate with experienced rental housing developers to actively pursue State and Federal 4% tax credit-funded renovations of aging units. This partnership will enable the reinvestment in these units while ensuring their continued affordability and accessibility.	x	
	D	Take advantage of the Affordable Housing TIF Extension option prior to closing a tax increment district (TID). This extends the life of a TID by one year and enables use of those funds to support affordable housing anywhere in the Village.		х
Ma	intai	in quality-housing options as part of safe and healthy neighborhoods for all residents.		
	E	Investigate implementing programs and incentives to preserve and rehabilitate existing housing stock, particularly historic homes or buildings. Consider using Tax Incremental Financing to offer financial assistance for repairs and renovations, especially for older homes with desirable character.		x
	F	Update the Village website to promote local, neighborhood level events in support of neighborhood groups.	Ong	oing
	G	Develop and share resources on green/sustainable design strategies in conjunction with the permit process (e.g., educational pamphlets that summarizes energy and water consumption strategies and provides information on Local/State energy and sustainability programs).	X	
			Chart Tarm	Long To
		ion 9 Mahility Cools 9 Astions	Short Term	Long Te
		on & Mobility Goals & Actions	(<5 years)	(5+ yea
υev		o and maintain a capital improvement plan to manage the Village's streets, sidewalks, and trails.	0.5	aina
		Maintain an inventory of public infrastructure and develop a regular inspection schedule. Track and share progress of annual capital improvement projects to build public support.		oing oing
	С	Integrate new and planned infrastructure into the improvement plan, annual budget and inspection schedule.		oing
		an integrated and accessible mobility system that connects various transportation options and es active recreation throughout the Village.		
	D	Collaborate with responsible jurisdictions to ensure roadway improvements (including County and State highways) have multi-modal aspects integrated into planning and development, or appropriate alternatives developed.	Ongoing	
	E	Review the Village's off-street parking requirements periodically to assess their effectiveness in making efficient use of land for vehicle parking. When appropriate, reduce minimums and consider enacting maximums to avoid excess parking spaces.	x	

llso G	oals & Actions	Short Term (<5 years)	Long Terr
	te housing diversity and availability for current and future residents.	(<5 years)	(5+ years
А	Encourage the development of upper-story housing units above street-level businesses, creating a mix of residential and commercial spaces that promote a vibrant and livable	Ongoing	
В	Review the zoning code related to housing density. Consider updating the commercial zoning district to allow for mixed-use buildings with upper-story residential, and evaluate parking needs and solutions for higher-density housing developments.	x	
ncour	age development through effective collaboration and efficient development review.		
С	Provide up-to-date online application and guidance materials for residents and developers. Improve and update the Village website as necessary to achieve this.	Ong	oing
D	Conduct regular reviews and updates of the development review process, taking into account	Ongoing	
E	Identify areas for improvement, such as simplifying application procedures, reducing processing timeframes, and enhancing clarity in design standards and traffic safety	х	
F	Explore creative solutions to the supply of parking and solid waste collection and removal in the downtown area, especially along Spring Water Alley.		x
