**Subject:** Traffic Detour - Rockdale - Cambridge Regionalization  
**Date:** February 6, 2026

To whom it may concern:

MSA Professional Services, Inc. (MSA) has reviewed the submitted Traffic Detour plan on behalf of the Village of Cambridge. Upon completion of the review comments provided by MSA, the Village of Cambridge approves the detour for the duration of the time required to complete the work and restoration within the Village limits. The work is weather dependent and tentatively scheduled for the beginning of March and expected to last 2 weeks.
