Town of Stockton Park Offers Winter Opportunities

The Town of Stockton Park provides an opportunity to continue to be active throughout the winter months with a sledding hill, ice rink and plenty of room to build a snowman, too! The park is open from 6:00 am until 10:00 pm and is waiting for you to create memories with your friends & family!

Winter Safety Reminders

The Town of Stockton provides snow removal services for the safety and convenience of its residents. After a snowfall, or when a sufficient amount of snowfall has occurred as to impede safe travel, we keep main routes open, open secondary routes and then open minor roads. The snowplowing of private driveways is not done, except in emergency situations.

Plowing snow into the road or across the road and into the opposite ditch is hazardous. This creates bumps, ice dams, or hazardous piles of snow on the road and causes snow to blow onto the road. Once driven on or frozen, these bumps are extremely difficult to plow and may cause a passing vehicle to lose control. If a problem arises, you will be notified that you are breaking the law according to Wis. Statutes 86.01. If the town needs to clean up after you, you will be billed for the work. A 2nd warning will include a fine of \$50.00 from the Town of Stockton as stated in the Town Snow Removal Ordinance O-08-01.

Please remember that garbage carts and recycling containers should be placed out for pick up only on the designated days. Also ensure that you are not placing carts and/or containers in the road way as this creates problems for both vehicle traffic and snow plows.

Town of Stockton Emergency Services

We live in a community that is fortunate to be served by some incredibly dedicated individuals that volunteer their time to not only participate in emergency situations, ongoing training sessions but also perform community events to promote fire prevention and first aid education. They are on call to help when an emergency arises. Volunteers that make a tremendous difference! These individuals come from a variety of backgrounds and a wide array of occupations. They may work or live in another community, work full or part time, may be a full-time student and/or stay at home parent. Some are following in the footsteps of family members by being a Fire Fighter and/or EMS Member. Other individuals were impacted by the events of 9/11 and wanted to help others the way that the Emergency Response Teams did during that horrific event. Some members joined simply because they wanted to be a part of something bigger, something meaningful. One member indicated that "it is the most satisfying thing in the world, helping people in their time of need – usually the worst days of their lives".

Whether our members have recently joined or have been a member for many years, the feelings are shared by many – it's a passion. It's something that you do to help others. It's a calling. It's being a part of a family of individuals like no other. It's rewarding and a "job" that they choose to participate in once the call comes in. Dedication. Commitment. Pride.

If you're interested in learning more about the Fire Department and/or EMS Team, please contact Clerk Lauri Novotny at 715-592-4712 or email stockton@wi-net.com.

The individuals that make up our Stockton Emergency Services Team are people, just like you and me!

A Fireman's Thank You

*The Tones go off, Night and Day,
We're out the door and on our way.*

*We drop what we're doing no matter the task,
Some run quickly, some not so fast.*

*The Hero's we don't see are those still Home,
Our Spouse and our kids that we left alone.*

*They stand behind us through thick and thin,
Some battles we lose & some we win.*

*We give thanks to the Fireman for what they do,
But we forget to thank our support group "YOU".*

*For without you we could not be,
Volunteers for our community.*

*For each life that's saved and fire put out,
It's thanks to you that we will shout.*

*GOD BLESS and THANKS one and all,
For every time we get a CALL.*

By: Jim Coppelman

From all of the men and women who serve as officers, medical responders, and firefighters of the Town of Stockton Emergency Services Department, our sincere wish for a safe and prosperous 2018.
