15-Jun	78	271 Graves Rd	William Gee	received email from Jerome Zaykoski, DEC, regarding excavation at Gee property. He said he was out there on February 10 and was told that they were only using the material to "re-grade" around the house. I informed him that this is not the case and he has trucks hauling material off on a daily basis. He returned my email stating that Andrew Abbott would be investigating the matter further now and they will be requesting an excavation plan from William Gee.
