**DCO Report 13 Feb 2023 thru 13 March 2023**

**Town of Newport, NY**

**Andrew Topham, DCO**

- 1. 22 february 12:44 pm. Received a call from Stacia Edmunds at C&S Auto that she had a stray Husky with no tags at her business.**

**I went and picked up the stray and took her for a walk-through town. The dog (Keiko) walked up the steps of the Kovac residence at 7427 Main St. in Newport.**

**Shortly thereafter three kids walked up and claimed the dog was theirs and that they lived at the same residence. As they were juveniles I asked to speak to their mother. I spoke with Mrs. Kovac/Congdon about the licensing and rabies requirement. She apologized and she assured me she would get the tags taken care of.**

- 2. 03 February. Assisted Gary Phillips in removing a pit bull mix from an apartment in Remsen that belonged to 3 drug suspects that had been arrested earlier in the week. Apprehension of the**

**dog was conducted without incident and the dog was brought to Steven Swan.**

- 3. As a reminder I will be out of town from 9 March through 7 September hiking the Appalachian Trail. Gary Phillips, the ACO/DCO for Russia/Remsen has agreed to answer calls in my place while I am gone. Ive left his name and number with the clerk.**

**End of Report.**
