Except as amended by or expressly provided to the contrary in this Ordinance, all of the provisions of the Outstanding Ordinance shall apply to the Series 2024 Bond issued pursuant to this Ordinance, the same as though each of said provisions were repeated in this Ordinance in detail; the purpose of this Ordinance being to authorize the issuance of additional revenue bonds of subordinate lien with respect to the Outstanding Senior Lien Bond to finance the cost of acquiring and constructing additions, extensions and improvements to the System, additional bonds of subordinate standing with the Outstanding Senior Lien Bond for such purpose being authorized by the provisions of the Outstanding Ordinance, upon the conditions therein stated, which conditions have been fully met.

Section 5. Issuance of Series 2024 Bond; Details. The Series 2024 Bond of the Issuer, to be designated **SANITARY SEWAGE DISPOSAL SYSTEM JUNIOR LIEN REVENUE BOND, SERIES 2024**, are authorized to be issued in the principal sum of not to exceed Seven Million Four Hundred Forty-Five Thousand Dollars (\$7,445,000) as finally determined by order of EGLE for the purpose of paying part of the cost of the Project, including the costs incidental to the issuance, sale and delivery of the Series 2024 Bond. The Series 2024 Bond shall be payable out of the Net Revenues, as set forth more fully in Section 8 hereof, provided that the Series 2024 Bond shall be subordinate to the prior lien with respect to the Net Revenues in favor of the Outstanding Senior Lien Bond and of any additional bonds of equal standing with the Outstanding Senior Lien Bond hereafter issued.

The Series 2024 Bond shall be in the form of a single fully-registered, nonconvertible bond of the denomination of the full principal amount thereof, dated as of the date of delivery, payable in principal installments as finally determined by the order of EGLE at the time of sale of the Series 2024 Bond and approved by the Authority and an Authorized Officer. Final

determination of the principal amount of the Series 2024 Bond, the payment dates and amounts of principal installments of the Series 2024 Bond and the dates for payment of interest on the Series 2024 Bond shall be evidenced by execution of the Purchase Contract, and each Authorized Officer is hereby individually authorized and directed to execute and deliver the Purchase Contract when it is in final form and to make the determinations set forth above; provided, however, that the first principal installment shall be due no earlier than April 1, 2025, the total number of principal installments shall not exceed thirty (30), and the total principal amount shall not exceed \$7,445,000.

The Series 2024 Bond shall bear interest at a rate of two percent (2.00%) per annum on the par value thereof or such other rate as evidenced by execution of the Purchase Contract, but in any event not to exceed the rate permitted by law, and any Authorized Officers as shall be appropriate shall deliver the Series 2024 Bond in accordance with the delivery instructions of the Authority.

The principal amount of the Series 2024 Bond is expected to be drawn down by the Issuer periodically, and interest on principal amount shall accrue from the date such principal amount is drawn down by the Issuer.

The Series 2024 Bond shall not be convertible or exchangeable into more than one fully-registered bond. Principal of and interest on the Series 2024 Bond shall be payable as provided in the Series 2022 Bond form in this Ordinance.

The Series 2024 Bond shall be subject to optional redemption by the Issuer with the prior written approval of the Authority and on such terms as may be required by the Authority.

The Treasurer of the Issuer shall record on the registration books payment by the Issuer of each installment of principal or interest or both when made and the cancelled checks or other records evidencing such payments shall be returned to and retained by the Treasurer.

Upon payment by the Issuer of all outstanding principal of and interest on the Series 2024 Bond, the Authority shall deliver the Series 2024 Bond to the Issuer for cancellation.

Section 6. Execution of Series 2024 Bond. The Series 2024 Bond shall be signed by the manual or facsimile signature of the President and countersigned by the manual or facsimile signature of the Village Clerk and shall have the corporate seal of the Issuer or a facsimile thereof impressed thereon. The Series 2024 Bond bearing the manual or facsimile signatures of the President and the Village Clerk sold to the Authority shall require no further authentication.

Section 7. Registration and Transfer. Any Bond may be transferred upon the books required to be kept pursuant to this section by the person in whose name it is registered, in person or by the registered owner's duly authorized attorney, upon surrender of the Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the transfer agent. Whenever any Bond or Bonds shall be surrendered for transfer, the Issuer shall execute and the transfer agent shall authenticate and deliver a new Bond or Bonds, for like aggregate principal amount. The transfer agent shall require payment by the bondholder requesting the transfer of any tax or other governmental charge required to be paid with respect to the transfer. The Issuer shall not be required (i) to issue, register the transfer of or

exchange any Bond during a period beginning at the opening of business 15 days before the day of the giving of a notice of redemption of Bonds selected for redemption as described in the form of Series 2024 Bond contained in Section 15 of this Ordinance and ending at the close of business on the day of that giving of notice, or (ii) to register the transfer of or exchange any Bond so selected for redemption in whole or in part, except the unredeemed portion of Bonds being redeemed in part. The Issuer shall give the transfer agent notice of call for redemption at least 20 days prior to the date notice of redemption is to be given.

The transfer agent shall keep or cause to be kept at its principal office sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the Issuer; and upon presentation for such purpose the transfer agent shall under such reasonable regulations as it may prescribe, transfer or cause to be transferred on said books Bonds as hereinbefore provided.

If any Bond shall become mutilated, the Issuer, at the expense of the holder of the Bond, shall execute, and the transfer agent shall authenticate and deliver, a new Bond of like tenor in exchange and substitution for the mutilated Bond, upon surrender to the transfer agent of the mutilated Bond. If any Bond issued under this Ordinance shall be lost, destroyed or stolen, evidence of the loss, destruction or theft may be submitted to the transfer agent and, if this evidence is satisfactory to both and indemnity satisfactory to the transfer agent shall be given, and if all requirements of any applicable law including Act 354, Public Acts of Michigan, 1972, as amended (“Act 354”), being sections 129.131 to 129.135, inclusive, of the Michigan Compiled Laws have been met, the Issuer, at the expense of the owner, shall execute, and the transfer agent shall thereupon authenticate and deliver, a new Bond of like tenor and bearing the statement required by Act 354, or any applicable law hereafter enacted, in lieu of and in substitution for the Bond so lost, destroyed or stolen. If any such Bond shall have matured or shall be about to mature, instead of issuing a substitute Bond the transfer agent may pay the same without surrender thereof.

Section 8. Payment of Series 2024 Bond; Security; Priority of Lien. Principal of and interest on the Series 2024 Bond shall be payable from the Net Revenues. There is hereby recognized the statutory lien upon the whole of the Net Revenues created by this Ordinance which shall be a lien that is junior and subordinate to the lien of the Outstanding Senior Lien Bond created by the Outstanding Ordinance, to continue until payment in full of the principal of and interest on all Bonds payable from the Net Revenues, or until sufficient cash or Sufficient Government Obligations have been deposited in trust for payment in full of all Bonds of a series then outstanding, principal and interest on such Bonds to maturity, or, if called for redemption, to the date fixed for redemption together with the amount of the redemption premium, if any. Upon deposit of cash or Sufficient Government Obligations, as provided in the previous sentence, the statutory lien shall be terminated with respect to that series of Bonds, the holders of that series shall have no further rights under the Outstanding Ordinance or this Ordinance except for payment from the deposited funds, and the Bonds of that series shall no longer be considered to be outstanding under the Outstanding Ordinance or this Ordinance.

Section 9. Management; Fiscal Year. The operation, repair and management of the System and the acquiring and constructing of the Project shall continue to be under the supervision and control of the Issuer. The Issuer may employ such person or persons in such

capacity or capacities as it deems advisable to carry on the efficient management and operation of the System. The Issuer may make such rules and regulations as it deems advisable and necessary to assure the efficient management and operation of the System. The System shall be operated on the basis of an operating year which shall coincide with the Issuer's fiscal year.

Section 10. Rates and Charges. The rates and charges for service furnished by and the use of the System and the methods of collection and enforcement of the collection of the rates shall be those in effect on the date of adoption of this Ordinance.

Section 11. No Free Service or Use. No free service or use of the System, or service or use of the System at less than the reasonable cost and value thereof, shall be furnished by the System to any person, firm or corporation, public or private, or to any public agency or instrumentality, including the Issuer.

Section 12. Fixing and Revising Rates. The rates presently in effect in the Issuer are estimated to be sufficient to provide for the payment of the expenses of administration and operation and such expenses for maintenance of the System as are necessary to preserve the System in good repair and working order, to provide for the payment of the principal of and interest on the Series 2024 Bond as the same become due and payable, and the maintenance of the reserve therefor and to provide for all other obligations, expenditures and funds for the System required by law and this Ordinance. In addition, the rates shall be set from time to time so that there shall be produced Net Revenues in an amount equal to 100% of the principal of and interest on the Bonds coming due in each fiscal year. The rates shall be reviewed not less than once a year and shall be fixed and revised from time to time as may be necessary to produce these amounts, and it is hereby covenanted and agreed to fix and maintain rates for services furnished by the System at all times sufficient to provide for the foregoing.

Section 13. Funds and Accounts; Flow of Funds; Junior Lien Bond and Interest Redemption Fund. The funds and accounts established by the Outstanding Ordinance are hereby continued, provided that a Junior Lien Bond and Interest Redemption Fund shall be established as follows:

There shall be established and maintained a separate depository fund designated "Junior Lien Bond and Interest Redemption Fund" (the "Junior Lien Fund"), the moneys on deposit therein from time to time to be used solely for the purpose of paying the principal of, redemption premiums (if any) and interest on the Series 2024 Bond, and any bonds of equal standing with the Series 2024 Bond.

Out of the Net Revenues remaining in the Receiving Fund after provision has been made for the Operation and Maintenance Fund and only after provision has been made for the Redemption Fund, there shall be set aside monthly in the Junior Lien Fund a sum proportionately sufficient to provide for the payment when due of the current principal of and interest on the Series 2024 Bond, less any amount in the Junior Lien Fund representing accrued interest on the Series 2024 Bond. Commencing on October 1, 2024, the amount set aside each month for interest on the Series 2024 Bond shall be 1/6 of the total amount of interest on the Series 2024 Bond next coming due. The amount set aside each month for principal on the Series 2024 Bond, commencing October 1, 2024, shall be 1/12 of the amounts of principal next coming due. If

there is any deficiency in the amounts previously set aside, that deficiency shall be added to the next succeeding months' requirements.

No moneys shall be set aside and credited to the Junior Lien Fund unless and until the Issuer is current with respect to all required transfers to all other funds under the Outstanding Ordinance and there is no default in any payments or requirements under the Outstanding Ordinance.

If for any reason there is a failure to make such quarterly deposit in the amounts required, then the entire amount of the deficiency shall be set aside and deposited in the Junior Lien Bond Redemption Account out of the Revenues first received thereafter which are not required by this Ordinance to be deposited in the Operation and Maintenance Account or the Bond and Interest Redemption Fund or the Junior Lien Bond Redemption Account, which amount shall be in addition to the regular monthly deposit required during such succeeding month or months.

Section 14. Bond Proceeds. The proceeds of the sale of the Series 2024 Bond as received by the Issuer shall be deposited in a separate account in a bank or banks qualified to act as depository of the proceeds of sale under the provisions of Section 15 of Act 94 designated 2024 SANITARY SEWAGE DISPOSAL SYSTEM REVENUE BOND CONSTRUCTION FUND (the "Construction Fund"). Moneys in the Construction Fund shall be applied solely in payment of the cost of the Project and any engineering, legal and other expenses incident thereto and to the financing thereof.

Section 15. Bond Form. The Series 2024 Bond shall be in substantially the following form with such changes or completion as necessary or appropriate to give effect to the intent of this Ordinance and subject to such modifications which may be required by the Michigan Attorney General and the Authority and approved by bond counsel:

FORM OF BOND

UNITED STATES OF AMERICA  
STATE OF MICHIGAN  
COUNTY OF ONTONAGON

VILLAGE OF ONTONAGON

SANITARY SEWAGE DISPOSAL SYSTEM  
JUNIOR LIEN REVENUE BOND, SERIES 2024

REGISTERED OWNER: Michigan Finance Authority

PRINCIPAL AMOUNT: \_\_\_\_\_ Dollars (\$\_\_\_\_\_)

DATE OF ORIGINAL ISSUE: \_\_\_\_\_, 2024

The VILLAGE OF ONTONAGON, County of Ontonagon, State of Michigan (the "Issuer"), acknowledges itself to owe and for value received hereby promises to pay, but only out of the hereinafter described Net Revenues of the Issuer's Sanitary Sewage Disposal System (hereinafter defined), to the Michigan Finance Authority (the "Authority"), or registered assigns, the Principal Amount shown above, or such portion thereof as shall have been advanced to the Issuer pursuant to a Purchase Contract between the Issuer and the Authority and a Supplemental Agreement by and among the Issuer, the Authority and the State of Michigan acting through the Department of Environment, Great Lakes and Energy, in lawful money of the United States of America, unless prepaid or reduced prior thereto as hereinafter provided.

During the time funds are being drawn down by the Issuer under this bond, the Authority will periodically provide the Issuer a statement showing the amount of principal that has been advanced and the date of each advance, which statement shall constitute prima facie evidence of the reported information; provided that no failure on the part of the Authority to provide such a statement or to reflect a disbursement or the correct amount of a disbursement shall relieve the Issuer of its obligation to repay the outstanding Principal Amount actually advanced (subject to any principal forgiveness as provided for in Schedule A), all accrued interest thereon, and any other amount payable with respect thereto in accordance with the terms of this bond.

The Principal Amount shall be payable on the dates and in the annual principal installment amounts set forth on Schedule A attached hereto and made a part hereof, as such Schedule A may be adjusted if less than \$\_\_\_\_\_ is disbursed to the Issuer or if a portion of the Principal Amount is prepaid or reduced as provided below, with interest on the principal installments from the date each installment is delivered to the holder hereof until paid at the rate of two percent (2.00%) per annum. Interest is first payable on [April] [October] 1, 202\_, and semiannually thereafter and principal is payable on the first day of [April] [October] commencing [April] [October] 1, 202\_ (as identified in the Purchase Contract) and annually thereafter.

Notwithstanding any other provision of this bond, so long as the Authority is the owner of this bond, (a) this bond is payable as to principal, premium, if any, and interest at U.S. Bank Trust Company, National Association or at such other place as shall be designated in writing to the Issuer by the Authority (the "Authority's Depository"); (b) the Issuer agrees that it will deposit with the Authority's Depository payments of the principal of, premium, if any, and interest on this bond in immediately available funds by 12:00 noon at least five business days prior to the date on which any such payment is due whether by maturity, redemption or otherwise; in the event that the Authority's Depository has not received the Issuer's deposit by 12:00 noon on the scheduled day, the Issuer shall immediately pay to the Authority as invoiced by the Authority an amount to

recover the Authority's administrative costs and lost investment earnings attributable to that late payment; and (c) written notice of any redemption of this bond shall be given by the Issuer and received by the Authority's Depository at least 40 days prior to the date on which such redemption is to be made.

#### Additional Interest

In the event of a default in the payment of principal or interest hereon when due, whether at maturity, by redemption or otherwise, the amount of such default shall bear interest (the "additional interest") at a rate equal to the rate of interest which is two percent above the Authority's cost of providing funds (as determined by the Authority) to make payment on the bonds of the Authority issued to provide funds to purchase this bond but in no event in excess of the maximum rate of interest permitted by law. The additional interest shall continue to accrue until the Authority has been fully reimbursed for all costs incurred by the Authority (as determined by the Authority) as a consequence of the Issuer's default. Such additional interest shall be payable on the interest payment date following demand of the Authority. In the event that (for reasons other than the default in the payment of any municipal obligation purchased by the Authority) the investment of amounts in the reserve account established by the Authority for the bonds of the Authority issued to provide funds to purchase this bond fails to provide sufficient available funds (together with any other funds which may be made available for such purpose) to pay the interest on outstanding bonds of the Authority issued to fund such account, the Issuer shall and hereby agrees to pay on demand only the Issuer's pro rata share (as determined by the Authority) of such deficiency as additional interest on this bond.

For prompt payment of principal and interest on this bond, the Issuer has irrevocably pledged the revenues of the sanitary sewage disposal system of the Issuer, including all appurtenances, extensions and improvements thereto (the "System"), after provision has been made for reasonable and necessary expenses of operation, maintenance and administration (the "Net Revenues"), and a statutory lien thereon is hereby recognized and created which is junior in standing and priority of lien as to the prior lien of the Issuer's Sanitary Sewage Disposal System Revenue Bond, Series 1996 (the "Outstanding Senior Lien Bond") of the Issuer and of any additional bonds of the Issuer of equal standing and priority of lien with the Outstanding Senior Lien Bond and which is equal in standing.

This bond is a single, fully-registered, non-convertible bond in the principal sum indicated above issued pursuant to Ordinance Nos. 54-44 and \_\_\_\_\_ duly adopted by the Village Council (the "Ordinances"), and under and in full compliance with the Constitution and statutes of the State of Michigan, including specifically Act 94, Public Acts of Michigan, 1933, as amended, for the purpose of paying part of the cost of acquiring and constructing additions, extensions and improvements to the System of the Issuer.

For a complete statement of the revenues from which and the conditions under which this bond is payable, a statement of the conditions under which additional bonds of superior and equal standing may hereafter be issued and the general covenants and provisions pursuant to which this bond is issued, reference is made to the Ordinances.

This bond is a self-liquidating bond, payable, both as to principal and interest, from the Net Revenues of the System. The principal of and interest on this bond are secured by the statutory lien hereinbefore mentioned.

The Issuer has covenanted and agreed, and does hereby covenant and agree, to fix and maintain at all times while any bonds payable from the Net Revenues of the System shall be outstanding, such rates for service furnished by the System as shall be sufficient to provide for payment of the interest upon and the principal of this bond and any bonds of equal standing with this bond and the Outstanding Senior Lien Bond and any additional bonds of equal standing with the Outstanding Senior Lien Bond, as and when the same shall become due and payable, and to maintain a bond redemption fund (including, except for bonds of this issue, a bond reserve account) therefor, to provide for the payment of expenses of administration and operation and

such expenses for maintenance of the System as are necessary to preserve the same in good repair and working order, and to provide for such other expenditures and funds for the System as are required by the Ordinances.

Principal installments of this bond are subject to prepayment by the Issuer prior to maturity only with the prior written consent of the Authority and on such terms as may be required by the Authority.

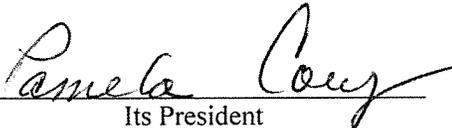

This bond is transferable only upon the books of the Issuer by the registered owner in person or the registered owner's attorney duly authorized in writing, upon the surrender of this bond together with a written instrument of transfer satisfactory to the transfer agent, duly executed by the registered owner or the registered owner's attorney duly authorized in writing, and thereupon a new bond or bonds in the same aggregate principal amount and of the same maturity shall be issued to the transferee in exchange therefor as provided in the Ordinance, and upon payment of the charges, if any, therein prescribed.

Capitalized terms used in this bond and not defined herein have the meanings set forth in the Ordinances.

It is hereby certified and recited that all acts, conditions and things required by law to be done precedent to and in the issuance of this bond have been done and performed in regular and due time and form as required by law.

IN WITNESS WHEREOF, the Issuer, by its Village Council has caused this bond to be executed with the manual or facsimile signatures of its President and its Village Clerk and the corporate seal of the Village to be impressed or imprinted hereon, all as of the Date of Original Issue.

**SCHEDULE A**

Based on the schedule provided below unless revised as provided in this paragraph, repayment of the principal of the bond shall be made until the full amount advanced to the Issuer is repaid. In the event the Order of Approval issued by the Department of Environment, Great Lakes and Energy (the "Order") approves a principal amount of assistance less than the amount of the bond delivered to the Authority, the Authority shall only disburse principal up to the amount stated in the Order. In the event (1) that the payment schedule approved by the Issuer and described below provides for payment of a total principal amount greater than the amount of assistance approved by the Order or (2) that less than the principal amount of assistance approved by the Order is disbursed to the Issuer by the Authority, or (3) that any portion of the principal amount of assistance approved by the Order and disbursed to the Issuer is forgiven pursuant to the Order, the Authority shall prepare a new payment schedule which shall be effective upon receipt by the Issuer.

Due	Amount of Principal	Due	Amount of Principal
<u>          1</u>	<u>Installment Due</u>	<u>          1</u>	<u>Installment Due</u>

Interest on the bond shall accrue on that portion of principal disbursed by the Authority to the Issuer which has not been forgiven pursuant to the Order from the date such portion is disbursed, until paid, at the rate of 2.00% per annum, payable [April] [October] 1, 202\_, and semi-annually thereafter.

The Issuer agrees that it will deposit with the Authority's Depository, or such other place as shall be designated in writing to the Issuer by the Authority payments of the principal of, premium, if any, and interest on this bond in immediately available funds by 12:00 noon at least five business days prior to the date on which any such payment is due whether by maturity, redemption or otherwise. In the event that the Authority's Depository has not received the Issuer's deposit by 12:00 noon on the scheduled day, the Issuer shall immediately pay to the Authority as invoiced by the Authority an amount to recover the Authority's administrative costs and lost investment earnings attributable to that late payment.

\*Not to exceed amount. Loan reductions at close out will result in a proportional decrease.

Section 16. Bondholders' Rights; Receiver. The holder or holders of the Bonds representing in the aggregate not less than twenty percent (20%) of the entire principal amount thereof then outstanding, may, by suit, action, mandamus or other proceedings, protect and enforce the statutory lien upon the Net Revenues of the System, and may, by suit, action, mandamus or other proceedings, enforce and compel performance of all duties of the officers of the Issuer, including the fixing of sufficient rates, the collection of Revenues, the proper segregation of the Revenues of the System and the proper application thereof. The statutory lien upon the Net Revenues, however, shall not be construed as to compel the sale of the System or any part thereof.

If there is a default in the payment of the principal of or interest upon the Series 2024 Bond, any court having jurisdiction in any proper action may appoint a receiver to administer and operate the System on behalf of the Issuer and under the direction of the court, and by and with the approval of the court to perform all of the duties of the officers of the Issuer more particularly set forth herein and in Act 94.

The holder or holders of the Series 2024 Bond shall have all other rights and remedies given by Act 94 and law, for the payment and enforcement of the Series 2024 Bond and the security therefor.

Section 17. Additional Bonds. The Issuer may issue additional bonds of equal standing with the Series 2024 Bond for the following purposes and subject to the following conditions:

(a) To complete the Project in accordance with the plans and specifications therefor. Such bonds shall not be authorized unless the engineers in charge of construction shall execute a certificate evidencing the fact that additional funds are needed to complete the Project in accordance with the plans and specifications therefor and stating the amount that will be required to complete the Project. If such certificate shall be so executed and filed with the Issuer, it shall be the duty of the Issuer to provide for and issue additional revenue bonds in the amount stated in said certificate to be necessary to complete the Project in accordance with the plans and specifications plus an amount necessary to issue such bonds or to provide for part or all of such amount from other sources.

(b) For subsequent repairs, extensions, enlargements and improvements to the System or for subsequent repairs, extensions, enlargements and improvements to the System and for the purpose of refunding part or all of the Junior Lien Bonds then outstanding and paying costs of issuing such additional Junior Lien Bonds. Junior Lien Bonds for such purposes shall not be issued pursuant to this subparagraph (b) unless the Adjusted Net Revenues of the System for the then last two (2) preceding twelve-month operating years or the Adjusted Net Revenues for the last preceding twelve-month operating year, if the same shall be lower than the average, shall be equal to at least one hundred percent (100%) of the maximum amount of principal and interest thereafter maturing in any operating year on the then outstanding Senior Lien Bonds, Junior Lien Bonds and on the additional Bonds then being issued. If the additional Junior Lien Bonds are to be issued in whole or in part for refunding outstanding Junior Lien Bonds, the annual principal and interest requirements shall be determined by deducting from the

principal and interest requirements for each operating year the annual principal and interest requirements of any Junior Lien Bonds to be refunded from the proceeds of the additional Junior Lien Bonds. For purposes of this subparagraph (b) the Issuer may elect to use as the last preceding operating year any operating year ending not more than sixteen months prior to the date of delivery of the additional Junior Lien Bonds and as the next to the last preceding operating year, any operating year ending not more than twenty-eight months prior to the date of delivery of the additional Junior Lien Bonds. Determination by the Issuer as to existence of conditions permitting the issuance of additional Junior Lien Bonds shall be conclusive. No additional Junior Lien Bonds of equal standing as to the Net Revenues of the System shall be issued pursuant to the authorization contained in this subparagraph if the Issuer shall then be in default in making its required payments to the Operation and Maintenance Fund or the Redemption Fund.

(c) For refunding a part or all of the Junior Lien Bonds then outstanding and paying costs of issuing such additional Junior Lien Bonds including deposits which may be required to be made to the bond reserve account for such Junior Lien Bonds. No additional Junior Lien Bonds shall be issued pursuant to this subsection unless the maximum amount of principal and interest maturing in any operating year after giving effect to the refunding shall be less than the maximum amount of principal and interest maturing in any operating year prior to giving effect to the refunding.

Section 18. Negotiated Sale; Application to EGLE and Authority; Execution of Documents. The Issuer determines that it is in the best interest of the Issuer to negotiate the sale of the Series 2024 Bond to the Authority because the Clean Water State Revolving Fund financing program provide significant interest savings to the Issuer compared to competitive sale in the municipal bond market.
