

FRANCIS CITY
FRONTIER
DAYS

LABOR DAY WEEKEND
2024

FRANCIS CITY

Welcomes you!

As the Mayor of Francis City, and on behalf of councilmembers Shana Fryer, Clayton Querry, Sam Hunter, and Clint Summers as well as the Francis City Staff, I am pleased that you have come to celebrate our little city's western heritage and rural lifestyle with us. Francis Frontier Days would not be possible without the ongoing support of our generous sponsors. To each of them I extend our city's utmost gratitude and appreciation for their support. THANK YOU! Please take the time to learn about our Frontier Days sponsors in this program and support them for supporting Frontier Days.

Our Frontier Days celebration would also not be possible without the sacrifice and commitment of our volunteers. This truly is a community event to which so many service-minded residents of Francis and the Kamas Valley donate their time and talents. THANK YOU!

We would also like to thank the Rocky Mountain Professional Rodeo Association.

Finally, we would like to thank everyone in attendance for coming and supporting the 2024 Francis Frontier Days!

- Mayor Jeremie Forman

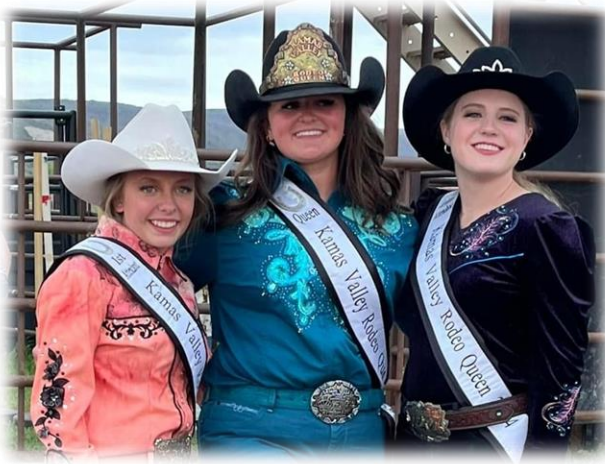

Francis Frontier Days began as a small group of cowboys, farmers and the local 4-H Club wanting a place to meet, ride, talk, share stories and just have some fun. The local 4-H Club held many fundraisers to raise the money needed to build the arena that we currently use. The Town received some grant money and many citizens in the community volunteered time and materials to build and install the chutes. Once complete, they held activities such as wild cow milking, team roping, and games for the kids to enjoy.

In 1983, Francis Town decided that it would hold a day of celebration every year on Labor Day. From those humble beginnings, Francis Town has grown into Francis City. The event has grown from a small one-day celebration into a four-day celebration. As the city has evolved, so have the ideas and activities held.

Today, Francis Frontier Days hosts many different activities including junior rodeo, kids' scrambles, horse games, concerts, concessions, vendor booths, skydivers, movie in the park, and a great rodeo sanctioned by the Rocky Mountain Professional Rodeo Association. Francis Frontier Days continues to grow each year, and this year we celebrate the 41st anniversary of this celebration. Francis Frontier Days is a great time for the whole family with activities and treats for everyone, young and old, that enjoys a piece of the Old West and our rich heritage.
