Ron Ostrom (Horseman & Saddle Maker).

For more than 30 years Ron has been learning and developing horsemanship skills, which has allowed him to understand and communicate with horses in a way few people can. He has taken knowledge from great horsemen such as Ray Hunt, Bill and Tom Dorrance, Pat Parrelli, Chris Cox, and more to find his own style. Ron strives to help as many people as possible to trust and understand their horse and in so doing reduce the number of injuries to people and horses alike. Safer horses make safer riders.
