Inspections made by the city are a part of the city’s duty to the general public to further compliance with city codes. Inspections do not constitute any representation, guarantee or warranty, whether implied or expressed, to the owner, buyer or any other individual as to the condition of the building or conformance to applicable construction codes. The undersigned acknowledges that they have read this application, that the information is correct, and that the owner agrees to comply with applicable provisions of the Medicine Lake city code. Some or all of the information that you are asked to provide on the application is classified by state law as either private or confidential. Private data is information which generally cannot be given to the public but can be given to the subject of the data. Confidential data is information which generally cannot be given to either the public or the subject of the data. Our purpose and intended use of this information is to update our records and records of other governmental agencies required by law. If you refuse to supply the information, the permit may not be issued. The Municipal Water Compliance certificate is not a disclosure of the condition of the property and does not relieve the seller or their representatives of any legal responsibilities for disclosure.

I hereby certify that I have read and examined this application and know the same to be true and correct. I further certify I will comply with the permit if it is granted and used. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
