

## 2013 TORNADO - UPDATE

One year ago on August 7<sup>th</sup>, the Village of Hortonville was struck by an EF 2 tornado. The storm knocked out power and created a substantial amount of damage. We will never forget the events leading up to this, the aftermath left behind, and the cleanup efforts that followed. And as we look back, we are most thankful that no lives were lost.

Steps were taken to recoup costs. We received \$72,933.98 from the Wisconsin Disaster Fund. In the last few weeks, new trees have been planted on East Main Street and in some of the parks.

Most notable in this incident was the overwhelming response from neighbors, friends, and volunteers, both in Hortonville and from surrounding communities. Neighbors and complete strangers, working side by side, going from house to house to help out. This spirit of cooperation and hard work was certainly one of the more powerful tools in the response and recovery effort. Firefighters removed trees and cleared streets, and helped people in damaged homes. Village staff took measures to ensure that infrastructure was working properly and that citizens were safe and informed of emergency measures as things unfolded in the days following this incident.

Today, we are a stronger and more vibrant community because of your response efforts. Thank you for your hard work, cooperation, patience, and trust, and may we be reminded of our cooperative efforts in what can be accomplished in our daily endeavors.

Andrew Gitter, Village President

### Hortonville Police Department

Nash Street. This event will give the citizens of Hortonville the opportunity to dispose of their unwanted medications and prescriptions in either liquid or solid form. It is a free service in which the person

can remain anonymous with no questions asked. We are unable to accept inhalers, needles, or any type of sharps.

On August 5<sup>th</sup> the police department held National Night Out, a community-police awareness event, at the Hortonville-Hortonia Fire Department. About 125 citizens attended the event this year. There were numerous demonstrations and activities for adults and children. Everyone in attendance was given a free raffle ticket for 15 different gift cards and prizes that were raffled at the conclusion of the event.

With the school year upon us, we would like to remind all drivers of rules relating to crosswalks and school zones. Operators of all motor vehicles are required to yield to pedestrians and bicyclists while they are crossing the roadway in a controlled or non-controlled crosswalk. All school zone rules apply within those zones anytime a child is present, a school crossing guard is on the roadway, or while a school crossing guard is removing or placing cones/markers on the roadway. Please give crossing guards plenty of space to safely direct students across roadways.

With the addition of school traffic in our community, fall is a common time for the police department to receive citizen complaints about speeding drivers on our roadways. Please do not hesitate to contact the department with these concerns. Our goal is to keep all drivers and pedestrians safe!

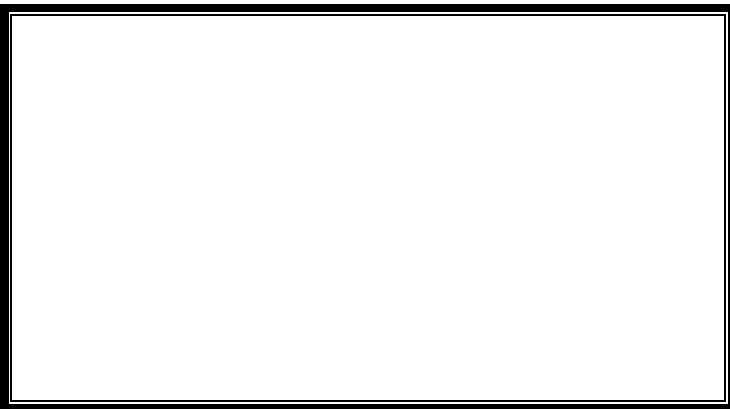

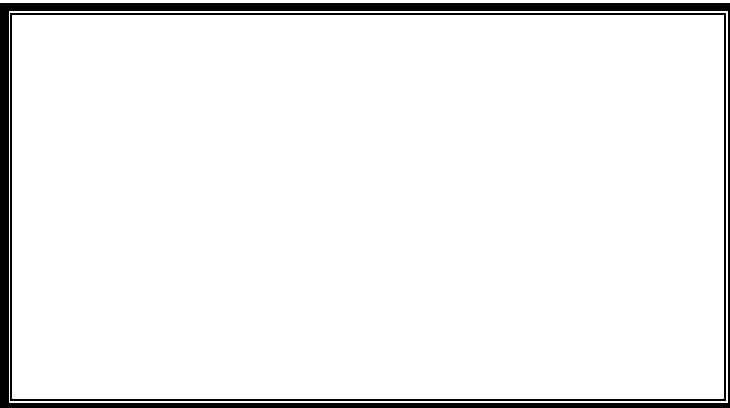

# CHAMBER CORNER

Happy Fall! Greetings from your Fox West Chamber of Commerce! We want to take this opportunity to congratulate the Village on all the construction—from the new Municipal Complex, to the additions/renovations at both the High School and Middle School, to the new Gilbert's Sentry Foods. We supported and helped out at the Outagamie County Breakfast on the Farm held at the Randy & Karen Strey Farm in rural Hortonville along with the Greenville Lions Catfish Concert and Greenville Bike Give-Away. *Enriching Community* is very important to your chamber.

Your chamber is supporting and promoting Oktoberfest on Saturday, September 20<sup>th</sup> at Donaldson's Gourmet & Gifts, we will have a float in the Homecoming Parade on Friday, October 2<sup>nd</sup> and will be gathering on Monday, November 17<sup>th</sup> for our Annual Awards Banquet at the Timber Rattler Stadium.
