

Dear Library Patrons,

You and your children are invited to join the Hortonville Public Library's Fall Reading Program, "Fall in Love with Reading"! We challenge you and your children to build literacy foundations, engage pre-reading and beginning reading skills, further your depth and breadth of reading, literacy, and knowledge, and develop a life-long love of reading and learning. The Fall Reading Program will run from September through November. Participants will earn chances to win one of three prize baskets by completing reading logs. Along the way, you can show off your progress by helping fill our Reading Tree with leaves!

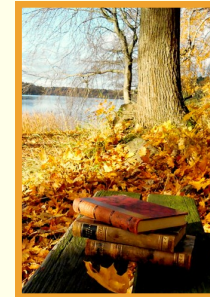

We have many exciting events planned this fall and hope you will be able to stop in to visit the library! Check out our lineup of recurring programs, where you can learn while meeting some new friends, as well as our schedule of special events featuring fascinating speakers and exciting workshops.

Don't forget to visit the library's StoryBook Trail this fall! The leaves will be turning in no time and the trail is a beautiful place to enjoy the crisp fall air and read a book.

Feel free to contact the library with any questions at 920-779-4279. We look forward to seeing you at the library all season long!

Sincerely,

Rachel M. Honzik - Library Director

Outreach Programs

The library will be coming to you this fall with these fun programs!

Creative Writing Group at HHS Weekly during ELT time (HHS Students)

HHS students are invited to join us during ELT time for Creative Writing. Get ideas for new stories, share strategies with fellow writers, and get advice from a published author!

HHS Book Club Weekly during ELT time (HHS Students)

HHS students are invited to join us during ELT time for Book Club. Experience classics you can use for AP testing and explore novels that will leave you thinking with a group of fellow book-lovers!

Storytime at the YMCA

2nd & 4th Mondays at 9:00am (YMCA-enrolled children)

The library is bringing storytime to the Fox West YMCA this fall! Children enrolled in preschool and 4-k at the YMCA will enjoy stories and fun with a librarian.

Tourist in Your Own Town: Taste of Hortonville

2nd Wednesdays at 11:30am (Adults - Must Pre-Register)

Explore Hortonville through a tourist's eyes! Each month we'll visit a different restaurant and learn about its history while enjoying some tasty local fare.
