BOOK DONATIONS
 The library wishes to recognize a very generous donation of books given in memory of Barbara DuFrane. Thank you!

Friends of the Hortonville Library

If you love the library and want to be involved in guiding it towards a brighter future, join FOHL! FOHL is currently recruiting new members who love to have fun, talk about the library, and make the community a better place. Pick up a brochure at the library or email FOHL at friendsofthehortonvillelibrary@gmail.com for more information or to sign on!

What's New at the Library?

This summer, we are Building a Better World with our Summer Reading Program! The program opened in June and we have already had over 700 registrants who are helping decorate the library with reading log bricks, building a community of readers. If you have not had a chance to join in the fun, stop by the library to register and get your first reading log! Readers who complete their logs return them to the library in exchange for a prize of a book, a toy, or a coupon to a local business. These readers also receive an entry for their choice of our amazing summer prize baskets for every reading log they complete. Help us build a better world and earn some great prizes in the process!

Speaking of prizes, thank you so very much to the generous businesses who donated prize baskets, coupons, gift cards, and even programming. Our SRP sponsors for this year are listed below. Please visit them and thank them for their support of the library! The Summer Reading Program would not be the same without their help.

We have a few big programs left in our Summer Library Program this month. Check a few out and be sure to stop in at our End of Summer Party on Saturday August 26th! This year's party will include a brat fry, baked goods, kids' games featuring favorite like Frog Flipper, Plinko, and Pick a Duck, and of course the drawing of winners for our coveted summer prize baskets! Basket winners need not be present to win, but additional prizes will be available to attendees only. No need to register, just show up and join in the fun!

I hope to see you in the library soon. Until then, happy reading!
