Virtual Public Information Material for Improvements to CTH Z, Edgewood Avenue – CTH F Adams County

Proposed Transportation Improvements

The Adams County Highway Department is proposing roadwork on CTH Z from Edgewood Avenue to CTH F. The project will include minor profile adjustments, new asphaltic pavement, gravel shoulders, drainage, ditchwork, sidewalk and bicycle accommodations with intersection improvements throughout the project. The project is currently scheduled to be completed by November 2021 for construction in 2022

Please View

All persons interested in the CTH Z project are encouraged to view the Public Information Material from December 21, 2020 to January 1, 2021 on the Adams County Highway Department website located at the following address: www.co.adams.wi.us/departments/highway-department. Click on CTH Z Virtual Public Information Material to visit the project web site for information, including an exhibit showing the preliminary roadway layout. Also, we encourage you to share this information with others that may be affected by this project. The intent of this virtual presentation of material is to provide an opportunity to view the project plans and provide comments and feedback from the public. The material is being provided on the website for viewing due to COVID-19 restrictions for meetings.

Staff members from the Adams County Highway Department and its consultant, Short Elliott Hendrickson, Inc., will be available via phone or email to discuss the proposed improvements. Project drawings, location maps, and other exhibits will be on the website to illustrate the proposed project.
