

# Mirror Lake Veterans Park

Located on the east side of Mirror Lake in Mondovi, WI, there is an area that has been enhanced to honor the military veteran. This project has been on going and a decision has been made to add veteran's names to the reverse side of the granite wall.

A space can be purchased for any member of your family that served in the military, living or deceased. Where they're from makes no difference; however, they must have served on active military duty for purposes other than training only.

Because of space constrictions, only the name can be engraved on the wall, no rank or branch of service. Just complete the form below and follow the directions, and you will have a lasting memorial.

Name of Veteran: \_\_\_\_\_

Please print how it will appear on the wall and limit characters to 21

*Information below is for our records only:*

Branch of Service \_\_\_\_\_

Years of Service \_\_\_\_\_

Killed in Combat:  Yes  No
