WHO NEEDS TO REGISTER FOR A SALES TAX PERMIT?

You must register and collect sales tax in Minnesota if you have taxable presence (nexus) in Minnesota, even if you are an out-of-state retailer or marketing provider.

You have presence in Minnesota if your business does any of the following:

- Maintains a physical location in Minnesota (office, warehouse, or distribution, sales, or sample room).
- Has no physical location in Minnesota but sells to customers in the state – by internet, mail order, or telephone- and over a 12-month period ships either:
 - 100 or more retail sales into Minnesota.
 - 10 or more retail sales that total more than \$100,000 into Minnesota.
- Has an employee, representative, agent, or independent contractor working on your behalf in Minnesota.
- Provides taxable services in Minnesota.
- Facilitates the sale of taxable goods or services on behalf of a Minnesota business.
- Delivers items into Minnesota in your own vehicles.
- Owns property in Minnesota.
- Keeps inventory in a fulfillment center in Minnesota.
- Is an affiliate of a Minnesota retailer that promotes or provides other services to you, and your business and the retailer are related parties.
- Agrees to pay a commission or similar consideration to a Minnesota resident who directly or indirectly refers potential buyers to your business through website links or otherwise.

Small Seller Exception

Minnesota does not require remote sellers to collect sales tax until retail sales shipped to Minnesota during a period of 12 consecutive months is either:

- 100 or more
- 10 or more totaling more than \$100,000

What if I do not make taxable sales?

If you sell only nontaxable items, you do not need to register for a sales tax account. However, if you make purchases subject to tax, you may need to register to pay use tax.
