OWNERS ACKNOWLEDGEMENT

- I hereby make an application and declaration that I intend to construct a structure solely in conjunction with an "agricultural use" and "not for human occupancy". both as defined previously.
- I understand that as an exempt building, the Fairfield Town Building Department has not reviewed the plans for the structure and has therefore not made any implied or in fact, approvals of any safety, structural integrity, building design, or similar issues.

- I understand that this structure may not be converted to a residential building, a non-agricultural storage building, or any other non-agricultural related use without obtaining a building permit, which includes complying with the zoning requirements for the zone in which the structure is located, and that such permit may require significant modifications to the structure in order to comply with the applicable codes in effect at that time.
- Any additions of electricity, water, or plumbing shall require permits and inspections.
- Any misleading or incorrect answers may constitute an act of falsification of government records under Section 76-8-511 of the Utah Code Annotated or issuing a written false statement under Section 76-8-504 of the Utah Code Annotated, both of which are Class B misdemeanors.
