A. TERMS, CONDITIONS AND FEES FOR UTILITY SERVICE WITH THE CITY OF MONTAGUE

The undersigned hereby applies for water, sewer and landfill services with the City of Montague and agrees to pay the monthly meter base rate for water of **\$40.13** based on meter size, plus gallonage of **\$5.75/1000** gallons; a sewer charge of **\$51.21 per** unit, Montague Water Conservation District fee of **\$2.85**, and a water maintenance bond charge of **\$5.00** per unit each month. Said rates are subject to modification by the Montague City Council. Billing shall occur monthly through the 20th of each month and be mailed by the last working day of each month. Bills are due by the 15th of each month and shall become delinquent by the next billing date and are subject to penalties and late charges if paid after the 15th. A statement of **INTENT TO DISCONNECT** will be sent on or before the 30th of each month with a specified turn-off date. Full payment or payment arrangements must be made **prior** to 4:00pm on the 15th to avoid penalties and disconnection. This is the only notification you will be sent. Failure to receive bill does not excuse payment, penalty or turnoff.

B. Payments may be made by VISA / MC, check, cash, or money order. For VISA / MC payments go to www.cityofmontagueca.gov or call (530)459-3030.

C. Delinquent accounts are subject to a 12% DELINQUENT PAYMENT FEE if not paid by the 15th of the month.

D. A TURN-OFF DAY FEE of **\$50.00** will be charged if payment is not received or payment arrangements not made **PRIOR** to Turn-Off Day.

E. AFTER HOURS CALL OUT FEE (weekends, holidays and weekdays 3:30pm to 7:00am) to re-establish water service additional **\$100.00** fee

F. RETURN PAYMENT FEES **\$25.00 for each returned item**. Multiple returned payments will change account status to **"CASH ONLY"**.

G. A non-refundable WATER DEPOSIT of **\$95.00** is required at the time of application to establish service.

H. Upon moving in or out of a property, it is the responsibility of each customer to establish and terminate their own service. Failure to do so may result in additional charges.

I. For property owners, utility billing will automatically revert back to the owner's name upon tenant account termination and charges will apply whether water is on or off and even when the home is vacant. Service shall remain in the owner's name until the owner notifies this office of new tenant occupancy. A copy of the rental agreement is required as notification of new tenant occupancy. Owners may opt to keep services in their name and have no tenant transfers.

J. Customers with prior unpaid accounts with the City of Montague will be required to clear their outstanding debt before new service can be established. In some cases, transfer of the outstanding debt to the new account may be a requirement to establish new service. Outstanding utility debts may also be sent for collection. Debts sent for collection must be paid at the collection agency and proof of payment brought to City Hall before new City utility service can be established. The City also reserves the right to place property liens for outstanding utility debts.

I hereby agree that I have read, understand, and will abide by the terms, conditions and fees set forth in this policy.
