

JOIN THE TEAM!

The **NEPTUNE TOWNSHIP OFFICE OF EMERGENCY MANAGEMENT** is seeking motivated, community-service oriented volunteers to join one of New Jersey's most highly trained and well equipped emergency service agencies! We offer three levels of membership levels designed to accommodate your schedule, including:

BASIC / C.E.R.T.

Community Emergency Response Team position with limited required training and hours.

Supports OEM, Police, Fire, and EMS during public events and during emergencies.

Great for busy schedules or retirees.

Members are provided with equipment and training.

Monthly meetings and training sessions are required

OPERATIONAL

Roles include Emergency Responders, Logistical Support, Communications.

Operations-level members respond to various incidents including vehicle crashes (requiring fluid clean-up and traffic control), fires, storm response, and handle many other tasks.

Respond around the state to support requesting for mutual aid.

Great for those able to respond on a frequent basis (avg 20 calls/month).

Monthly meetings and training sessions required.

TECHNICIAN

Technical-level members include Hazardous Material Technicians and Technical Rescue (USAR) Special Operations Team members.

This level requires extensive training and experience, and is well suited for those with professional experience with plenty of available time for long duration operations and frequent training sessions.

Interested in helping your neighbors and joining this exciting organization?
