Rutland Town Garage/Hall
Dimension IV Architects
National Construction LLC Construction Manager
Town of Rutland, WI

The Town of Rutland requests bids for individual trades and individual divisions for the construction of the new Rutland Town Garage/Hall to be submitted to its Construction Manager, National Construction LLC. until 12:00 PM Monday August 12th, 2024, to patrick@jgdevelopment.com. All bids should be addressed to the Town of Rutland.

The work includes the construction of a new Rutland Town Garage/Hall located at 785 Center Road, Stoughton, WI 53589.

The Work of this Project consists, in general, of a new, one-story, 8,700 square foot, pre-engineered metal building with an office and garage areas separated by a fire wall, new parking lot and entrance drive, pedestrian walks, and landscaping. The building will be located on approximately 2.81 acres of current farmland next door to the current Town Hall building. The program includes, but is not limited to, offices, a meeting room, storage rooms, men's and women's toilet rooms, mechanical room, garage and work areas, and entry lobby and vestibule. Work will include plumbing, HVAC with in-floor-radiant heat, electrical and technology systems. The scope of the project includes all rough and finish work as shown on plans and described within the specifications.

Project elements include but are not limited to: New pre-engineered metal building erection, septic, private utilities, MEP's, finishes:

- 03.30 Cast-in-Place Concrete and Slab Insulation
- 04.00 Masonry
- 06.00 General Trades
