- Sewer Charge – Volume charge – Every user shall pay a monthly fee of an amount based on the actual water meter usage.
- Additional Meter: If a portion of the water furnished to any customer is not discharges into the sanitary system the quantity of such water will be deducted in computing the sewer volume charge provided a meter has been installed to measure such water. The customer must at his/her own expense make necessary changes in the water piping and install couplings so that a meter can be set.
- Clogged Sewer Service – Property owners are to notify the Public Works Department of any clogged service and allow sufficient time for the Public Works Department to check the connecting sewer main before attempting any means of opening the service.
- Billings – A late payment charge of 3% will be added to the bills not paid within 20 days from the date of the bill.
